Item	Remark(s)	SAFA CAT

This report represents an indication of what was found on this occasion and must not be construed as a determination that the aircraft is fit for the intended flight.
Data submitted in this report can be subject to changes for correct wording upon entering into the SAFA database.
Signature by any member of the flight crew or other representative of the operator does not mean the acceptance of the listed findings but a confirmation that the aircraft has been inspected on the date and at the place indicated on this document.
