CHRISTIAN SANTOS CHOIR AT MOUNT ALVERNIA

The Christmas programme of events at Mount Alvernia and other Care Agency elderly facilities is well underway. The events calendar was this year kicked off by the Santos Productions Choir where some 50 children sang at the Mount Alvernia Chapel much to the delight of the elderly residents and staff.

Samantha Sacramento, Minister for Equality, Social Services & the Elderly stated: "We were all looking forward to welcoming the choir to Mount Alvernia, their performance was amazing. I would like to thank Christian Santos and his choir for making time in their busy schedule and for their continued support and enthusiasm."
