

**GOVERNMENT OF GIBRALTAR
PRESS OFFICE
No.6 Convent Place
Gibraltar**

Date. 24 July 2006

PRESS LINE

The Government of Gibraltar notes the speculative fever that appears to have gripped certain sectors of the Spanish media in relation to the contents of the trilateral agreements, none of which have yet been concluded.

The Government notes particularly the speculation in Europa Press to the effect that Spanish officials may be present on the Gibraltar side . The Gibraltar Government would refer to its previous categorical statements to the contrary and this remains unchanged.
