Date: 29 June 2007

In order to allow the Sewers Division of Technical Services Department to carry out emergency works to the sewer at Prince Edward's Road, the following traffic restrictions will be in place as follows.

Prince Edwards Road will be closed to traffic as from 8.00am on Saturday 30 June 2007 from Prince Edward's Gate to the northern junction of Flat Bastion Road for a period not exceeding 2 days. Parking restrictions will also be applied along the area of the works accordingly. Access to the upper Town Area will be via Flat Bastion Road, which will have the existing traffic reversed accordingly. Temporary road works and diversion signs will be placed warning drivers of the diversions ahead.

We would like to take this opportunity to apologise to the general public for any inconveniences these works may cause them.
