### **FILOMENA HOUSE DEVELOPMENT**

A contractor will be carrying out excavation works to lay a new sewer along Devil's Tower Road from Red Roofs House to the eastern end of Saint Theresa's Church parking area as from Monday 30<sup>th</sup> July 2007 for a period not exceeding 10 weeks.

Works will be undertaken in stages so as to minimise any disruption that these works may cause. Some parking restrictions will be in force throughout the period of the works. No more than a limited number of parking spaces will be lost at any one time throughout the duration of the works. Temporary road signs will be in place to advise drivers accordingly as they approach the works area.

We would like to take this opportunity to apologise to the general public for any inconveniences these works may cause them.
