WORKS AT GOVERNOR'S STREET

In order to enable refurbishment works to be carried out on the building façade at No.19 Governor's Street, a Contractor will be erecting a scaffolding bridge at the site on Sunday 18th February from 0800 to 1200 hrs.

The Northern section of Governor's Street between Cornwall's Parade and the junction with City Mill Lane will be closed during this period. Access to Governor's Street southbound will be via City Mill Lane. All traffic travelling along Cornwall's Lane & Engineer Lane will be diverted northbound via Parliament Lane, Irish Town and (New) Fish Market Road to Reclamation Road.

We would like to take this opportunity to apologise to the general public for any inconveniences these works may cause them.
