PRESS RELEASE

No. 39/2007

Date: 15 February 2007

QUEENSWAY JUNCTION WITH EUROPORT AVENUE

As part of the Governments road-resurfacing programme a Contractor will be undertaking resurfacing works at Queensway by the junction of Europort Avenue. Works commence at 0800hrs on Saturday 17 February 2007 for a period not exceeding four days. It is envisaged that the traffic arrangements at the junction will revert to normal during the afternoon of Tuesday 20 February 2007.

Whilst the works are in progress the southbound lane will be resurfaced and closed to traffic. Southbound traffic will be able to continue through the centre lane, therefore northbound traffic wishing to turn into Europort Avenue will be diverted via Reclamation Road.

We would like to take this opportunity to apologise to the general public for any inconveniences these works may cause them.
