PRESS RELEASE

No. 119/2008

Date. 19 May 2008

The Minister for Culture, Heritage, Sports & Leisure has sent the following message of support to Mr Albert Buhagiar, Team Manager of the Gibraltar Football Association, who are currently in Wales:

“Football lovers on the Rock are very conscious of the extensive training programme our GFA squad has undertaken in preparation for the International Tournament about to commence in Wales. On behalf of the Government and people of Gibraltar I take this opportunity to wish you well in what should be our greatest football challenge in recent times.

You have a fine range of players representing Gibraltar and I am confident they will give their very best in the three demanding games scheduled for this week. May Gibraltar’s good sporting spirit prevail in all our matches, no matter how tough they may prove to be.

I had very much hoped to join you in Wales representing our ever-faithful local supporters, but other pressing Ministerial commitments have kept me back in Gibraltar. Therefore, please convey my personal “Good Luck” wishes to all players whom I look forward to seeing safely back home and trusting they will become even better footballers thanks to this exciting experience.”
