Gibraltar Tourist Board Hosts Visiting Journalists

The Gibraltar Tourist Board will be hosting journalists from the UK from 2nd to 4th June.

During their stay on The Rock the journalists will enjoy a packed itinerary that showcases Gibraltar's tourism products and services. Many of the activities have been made possible with the co-operation of Gibraltar's tourism industry.

Representing a cross section of publications from the UK and one from The Netherlands, the journalists will also be hosted at various social events by Gibraltar's hotels and restaurants. The group will be accompanied by representatives from the Gibraltar Tourist Board's offices in Gibraltar and London.

"Keeping the media in our most important market aware of the improvements being made to the tourism product and the activities of companies with the tourism industry in Gibraltar, is an important part of the Gibraltar Tourist Board's activities. We're delighted to welcome such a pro-active group of journalists to Gibraltar and are very grateful for the all the hospitality they will receive from suppliers in the local industry," said The Hon Ernest Britto, Minister for the Environment and Tourism.
