PRESS RELEASE

No. 107/2009

Date. 22nd May 2009

The Government has had an initial report from the RGP in respect of an incident earlier today, when there was an incursion by a Guardia Civil launch in Gibraltar territorial waters in the area of Catalan Bay, in circumstances which would appear to be unacceptable.

The Government takes a serious view of this matter and will take such appropriate action as may be required when all aspects of the incident have been investigated and established.
