No:58/2009

Date: 27th March 2009

GIBTELECOM – LAYING OF CABLES

In order to allow Gibtelecom to undertake improvements to their existing infrastructure, works will be carried out in the area of Queensway from 3.00 p.m. to 10.00 p.m. on Saturday 28th March 2009. During this period, the following traffic arrangements will be put in place: -

Queensway from Commonwealth Car Park to the area of Regal House junction will be reduced to one lane along certain areas, which will operate as a manually operated “stop and go” system.

Appropriate signage will be set up in the vicinity of the works for the guidance of drivers.
