Following extensive consideration of all the comments received the Commission is now proposing various amendments to the Draft Plan. These amendments are being publicly exhibited from 23rd April to 14th May 2009. The closing date for written representations is 4th June 2009.

The Proposed Amendments will be available for public inspection at the following locations during the three week exhibition period:

- a) Offices of the Town Planning Division, Suite 631, Europort;
- b) John Mackintosh Library, 308 Main Street;
- c) Gibraltar Tourist Office, Casemates Square;
- d) Bayside Sports Centre, Bayside Road.

Additionally, the document can be viewed and downloaded from the following web site www.gibdevplan.gov.gi as from 23rd April 2009.

Once the public participation period has ended, any representations received will be considered by the Development and Planning Commission before a final version of the Plan is submitted to the Chief Minister for approval.
