**PRESS RELEASE**

No. 80/2009

Date. 27<sup>th</sup> April 2009

The Government's Civil Contingency Committee will keep the outbreak of Swine Influenza under close review, will monitor developments, and will take measures as and when necessary to minimise the impact on Gibraltar.

The Gibraltar Health Authority, and other public health authorities are well placed to deal with the matter, which, at this stage requires only precautionary measures. There is currently no cause for alarm or concern in Gibraltar.

Attached to this press release is an information and advisory statement issued today by Dr Vijay Kumar, Director of Public Health. Any person that has recently visited Mexico, or come into contact with anyone who has, and experiences flu-like symptoms should report the matter to his GP or the GHA, as advised by Dr Kumar in his statement.
