Registration of a Birth - Guidance Notes

IMPORTANT NOTES

Every birth in Gibraltar must be registered by law and within 21 days of the day of the birth, even if the parents do not normally live in Gibraltar. Only children born in Gibraltar can be registered.

It is the duty of the parents to register the birth. If the parents are married, either the mother or father can register the birth on their own. If the parents are not married, both parents have to register the birth together. More detailed information on who can register the birth of a child can be obtained by contacting our offices on Tel No 20078303 or by email at bdm.csro@gibraltar.gov.gi.

A child that is stillborn must also be registered, but only if the child was stillborn after the 24th week of pregnancy.
