PREFACE

The Statistics Act (Employment Survey Order as Amended) 1970 requires that the Government Statistician prepare a report for Parliament. This is the fifty-sixth such survey the purpose of which is to obtain information regarding trends in employment, hours worked and earnings of all employees in Gibraltar.

In October 2006, all known employers were sent Employment Survey questionnaires in respect of their employees. Three reminders were sent to late respondents with the survey closing in March 2007. The response rate was excellent with only 16 employers out of the 1,687 who had been sent the survey form failing to complete and return the questionnaire or register a nil return.

I must express my thanks to all employers for their continued co-operation in the conduct of this survey.

GOVERNMENT STATISTICIAN

SURVEY SUMMARY

1. The number of employee jobs reported in October 2006 increased by +9.5% from 16,874 in October 2005 to 18,485, the highest ever recorded. Part of this increase (estimated at some 550 employee jobs) reflects wider coverage in respect of the October 2006 Survey with the completion of the updating process of the Survey's employer database. The response rate continued at almost 100% with 1,212 out of the 1,687 known employers completing the questionnaire in respect of their employees and 459 registering a nil return.
2. The main employment trends during the period covered by this report can be summarised as follows:
 - (a) Average annual earnings in respect of all employee jobs increased by +5.6%, from £19,383.80 in October 2005 to £20,470.57 in October 2006.
 - (b) The largest increase in the level of employee jobs by industry were those registered in the Other Services industry. The number of jobs recorded for this industry increased by 454 (+22.2%) between October 2005 and October 2006.
 - (c) The number of employee jobs recorded in respect of the private sector increased by +13.3%, from 12,812 in October 2005 to 14,512 in October 2006. The number of jobs in the Gambling & Betting Activities sub-industry increased over the period from 1,495 to 1,893 (+26.6%) with 28 firms submitting returns both for October 2005 and for October 2006.
 - (d) Employment in the Official Sector decreased by -89 (-2.2%), partly reflecting the re-classification of the Gibraltar Electricity Authority and the Gibraltar Sports Authority under the Private Sector.
 - (e) During the period, the total number of weekly-paid full-time adult employee jobs increased from 4,440 in October 2005 to 4,672 in October 2006 (+5.2%). Monthly-paid full-time adult employee jobs increased from 9,744 to 10,808 (+10.9%) over the same period. Thus, the total number of adult full-time employee jobs increased from 14,184 in October 2005 to 15,480 in October 2006 (+9.1%).
 - (f) Average weekly earnings in respect of full-time adult male employee jobs increased from £316.41 in October 2005 to £347.28 in October 2006 (+9.8%). The number of full-time weekly-paid adult male jobs rose from 3,297 to 3,428 (+4.0%) with jobs in the Other Services and Health and Social Work industries increasing by +69.8% and +40.8% respectively.
 - (g) Earnings in respect of monthly-paid full-time adult male jobs increased by +2.1%, from £2,393.16 to £2,444.31 over the period, although the 2006 Pay Review in the Official Sector had not been settled. The earnings of full-time monthly-paid female jobs increased by +3.8%, from £1,655.60 to £1,717.76. The number of full-time monthly-paid adult jobs recorded in

the Other Services industry group increased by +15.4% in respect of males and by +16.4% in respect of females as a result of increased employment within the gambling firms.

DEFINITIONS AND NOTES

- (1) Official Sector: Gibraltar Government and Ministry of Defence employee jobs.
- (2) Frontier Worker: an employee who is normally resident in Spain and is employed in Gibraltar.
- (3) Juvenile: a person under 18 years of age.
- (4) Part-Time: generally left to the discretion of the employer.
- (5) Industries have been classified according to the UK Standard Industrial Classification 1992, SIC (92).
- (6) Occupations have been classified according to the UK Standard Occupational Classification 2000, SOC (2000).
- (7) Abbreviations:

* This nationality split presents problems of accuracy. Some employers classify all their British employees, including Gibraltarians, under the UK British category and since no personal details are provided it is not possible to differentiate between the two categories. This would result in an understatement of the Gibraltarians in employment.
