

HM Government of Gibraltar

6 CONVENT PLACE

OFFICIAL NOTICE

Government Procurement e-Service

As from the 15th January 2018, HMGoG will take a further step towards electronic purchasing. Any business not registered with the new Government Procurement e-Service should do so as soon as possible. Service providers, suppliers or contractors not registered by the above date will not receive orders for goods, works and services, or receive requests for quotations from those HMGoG depts. who have adopted electronic purchasing. The new system will be rolled out across all Government organisations via a phased implementation. Please note the foregoing also applies to all entities across the spectrum who undertake business with HMGoG, including utility companies.

Businesses can self-register on the Supplier Network Portal at <http://www.procurement.gov.gi>
