August 2018

Dear Dominique

Thank you very much for the invitation to visit Gibraltar as part of an All Party Parliamentary Group on the occasion of your National Day but unfortunately due to other diary commitments I am unable to attend.

As a proud Welshman I know the importance of celebrating of our Saint David's Day and the way it galvanises people and helps gel differing communities together. With this in mind I would like to wish you all the very best for your celebrations.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Carwyn Jones'. The signature is fluid and cursive, with the first name 'Carwyn' being more prominent than the surname 'Jones'.

CARWYN JONES
