31 December 2013	24	19	31	437	2	19	532

Updated 6 January 2014

Note:

This does not mean that they are currently 'waiting for a place' since many people place their name on the list in the hope of being at or near the top when they are in need at some time in the future, even though they have no need or desire to be admitted now.
