20 **Ownership details (see guidance notes)**

We need to know who owns the application site. If you do not own the site or if you only own part of it, we need to know the name(s) of the owner(s). We also need to be sure that any other owner(s) knows that you have made an application. Please read the attached guidance notes if in doubt.  
If you are the sole owner of the whole site Certificate A will apply. Please tick the appropriate box below:

**CERTIFICATE A**

I certify that at the beginning of the period 21 days ending with the date of this application, nobody, except the applicant, was the owner(s) of any part of the land to which this application relates.

21 **Public Participation**

Some types of development are subject to public participation requirements under Section 19 of the Town Planning Act (referred to as "Section 19 developments").  
Some common Section 19 developments include :construction of buildings more than 4m in height, extensions of one or more additional storeys where the height would exceed 4m, swimming pools, use of land as bar/restaurant (including fast food restaurants). For the complete list seek advice from the Town Planning Division or refer to the Town Planning (General Procedures) Regulations, 2001, that can be viewed at [www.gibraltarlaws.gov.gi](http://www.gibraltarlaws.gov.gi)

If Section 19 applies you must:

- Place a notice (use form S19 attached) on site and this must remain for at least 14 days – you are advised to place the notice on site the same day the application is submitted. On completion of the 14 days, complete and submit the attached certificate (Form S19(Cert) attached).

## Guidance Notes

### *When do I use this form?*

This form is only to be used for the following types of application:

**Outline Planning Application** – prior to submitting the full details required in an application for a Planning Permit, a person may submit an application for Outline Planning Permission (Section 18, Town Planning Act). Outline Planning Permission, if granted will approve the principle of the proposed development subject to certain conditions. Granting Outline Planning Permission does not authorise the commencement of works on site. Following the outline planning stage the applicant will then need to submit a detailed application for a Planning Permit and Building Control approval.

**Planning/Building Control application** – This is a joint application for both a Planning Permit (Section 17, Town Planning Act) and for Building Control Approval (Section 45, Public Health Act). A Planning Permit confirms the approval of all planning matters relevant to a development, and may be issued subject to certain specified conditions. Building Control Approval confirms compliance with the Building Regulations and may also be issued subject to conditions.

Do not use this form for any of the following types of application:

- Application for Demolition - use Form 2;
- Application for Advertisement consent – use Form 3;
- Application for Consent to cut/lop protected tree – use Form 4.

Forms 2, 3 and 4 are available from the Town Planning/Building Control Division.

### *How many copies of the application must be submitted?*

**Outline Planning Application** - submit 5 copies of the application form and plans together with any other documentation. One set of plans to be at full scale A1 size and the remainder at A3 size.

**Planning/Building Control approval** - submit 8 copies of plans and documentation. One set of plans to be at full scale A1 size and the remainder at A3 size.

In both cases, the reduced A3 sets must be legible otherwise larger version of the drawings are to be included.

### *What Plans and drawings need to be submitted?*

- Location plan to a scale 1: 1250 approx – to show the exact location of the site.
- Site Plan to a scale 1:200 approx – to show clearly the boundaries of the site and its relationship with adjacent properties and roads and must include a North arrow. The site boundary should be shown in RED and adjoining land owned or controlled by applicant in BLUE.
- Block Plans, elevations, floor plans, roof plans and sections are to be shown to an appropriate scale (1:50 or 1:100) and must show the layout of the site, the existing building(s) and all proposed changes.
- Other – It is helpful for artists impressions of the proposals to be included. Photographs of the building/land as existing and photographic montages showing the superimposed proposals would be helpful. Larger developments may require a scaled model showing proposals in relation to the surrounding area.
- Design Statement – For major proposals the statement should clearly show the thought process that has led to the submitted design.
- All plans should be clearly annotated.
- All plans and documentation must be in the English language.

### *Do I need to notify anyone else of my application?*

Unless you are the sole “owner” you must serve notice on all other “owners” of the site. A notice for this purpose is included in this application form (Form S21A). Special procedures apply where you have not been able to identify all the owners of the land in question. You should contact the Town Planning Division for further advice. “Owners” include Freeholders, leaseholders and tenants of any part of the application site. Where a Management Company exists to represent all owners, it should also be served on them.

### *Do I need to pay a fee?*

Yes. The amount will be set out in the acknowledgement letter that will be sent to you . Fees should be paid promptly to avoid delays to consideration of the application.
