Some common Section 19 developments include: construction of buildings more than 4m in height, extensions of one or more additional storeys where the height would exceed 4m, swimming pools, use of land as bar/restaurant (including fast food restaurants). For the complete list seek advice from the Town Planning Division or refer to the Town Planning (General Procedures) Regulations, 2001, that can be viewed at www.gibraltarlaws.gov.gi

If Section 19 applies you must:

- Place a notice (use form S19 attached) on site and this must remain for at least 14 days – you are advised to place the notice on site the same day the application is submitted. On completion of the 14 days, complete and submit the attached certificate (Form S19 (Cert) attached).
- Place a notice (use form S19 attached) in the Gibraltar Gazette, a daily and weekly newspaper. Copies of each of the publications in which the notices are published must be submitted as soon as possible after their publication.
