Section two	Questions and answers for applicants of the car theory test	16
Section three	General questions and answers on road procedure for cars and motorcycles	39
Section four	Questions and answers relating to traffic signs	48

**THIS SECTION IS COMPRISED OF
QUESTIONS AND ANSWERS FOR
APPLICANTS OF THE MOTOR
CYCLE THEORY TEST**

Q1	When you are giving mouth to mouth you should only stop when: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> You think the casualty is dead <input checked="" type="radio"/> The casualty can breathe without help <input type="radio"/> The casualty has turned blue <input type="radio"/> You think the ambulance is coming
Q2	On a motorway you may ONLY stop on the hard shoulder: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> If you go passed the exit that you wanted to take <input type="radio"/> If you feel tired and need a rest <input checked="" type="radio"/> In an emergency <input type="radio"/> To pick up a hitchhiker
Q3	Why should you check over your shoulder before turning left into a side road? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> To check for emergency traffic <input type="radio"/> To confirm your intention to turn <input checked="" type="radio"/> To check for overtaking vehicles <input type="radio"/> To make sure the side road is clear
Q4	You are travelling at the legal speed limit. A vehicle comes up quickly behind, flashing its headlights. You should: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Maintain your speed to prevent the vehicle from overtaking <input type="radio"/> Touch the brakes sharply to show your lights <input type="radio"/> Accelerate to make a gap behind you <input checked="" type="radio"/> Allow the vehicle to overtake
Q5	You keep well back while waiting to overtake a large vehicle. A car fills the gap. You should: Mark one answer
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> Drop back further <input type="radio"/> Flash your headlights <input type="radio"/> Sound your horn <input type="radio"/> Start to overtake
Q6	When riding long distances at speed, noise can cause fatigue. What can you do to help reduce this? Mark one answer
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> Vary your speed <input type="radio"/> Wear ear plugs <input type="radio"/> Use an open face helmet <input type="radio"/> Ride in the upright position
Q7	Which of the following should you do when riding? Mark two answers
A	<ul style="list-style-type: none"> <input type="radio"/> Keep close to the vehicle in front <input checked="" type="radio"/> Keep your visor or goggles clear <input type="radio"/> Keep the vehicle in front in view <input checked="" type="radio"/> Use your dipped headlights <input type="radio"/> Ride close to the centre of the road

Q8	Road surfaces tend to be at their most slippery: Mark one answer
A	<ul style="list-style-type: none"> ○ During the late afternoon ○ After heavy prolonged rain ○ During a long dry spell ○ After a long dry spell followed by a shower of rain
Q9	Why is it a good idea to plan your journey to avoid busy times? Mark one answer
A	<ul style="list-style-type: none"> ○ You will travel a much shorter distance ○ You will see less road works ○ Your vehicle will use more fuel ○ It will help to ease congestion
Q10	You are on a motorway at night. You MUST have your headlights switched on unless: Mark one answer
A	<ul style="list-style-type: none"> ○ The motorway is lit ○ There are vehicles close in front of you ○ Your motorcycle has broken down on the hard shoulder ○ You are travelling below 100 kph
Q11	Riding your motorcycle with a slack or worn drive chain may cause: Mark one answer
A	<ul style="list-style-type: none"> ○ Early tyre wear ○ Increased emissions ○ An engine misfire ○ A locked wheel
Q12	Why are place names painted on the road surface? Mark one answer
A	<ul style="list-style-type: none"> ○ To warn you of oncoming traffic ○ To enable you to change lanes early ○ To restrict the flow of traffic ○ To prevent you changing lanes
Q13	Some two way roads are divided into three lanes. Why are these particularly dangerous? Mark one answer
A	<ul style="list-style-type: none"> ○ Traffic can overtake on the left ○ Traffic uses the middle lane for emergencies only ○ Traffic in both directions can use the middle lane to overtake ○ Traffic can travel faster in poor weather conditions
Q14	A wrongly adjusted drive chain can: Mark three answers
A	<ul style="list-style-type: none"> ○ Create a noisy rattle ○ Cause a suspension fault ○ Cause an accident ○ Make wheels wobble ○ Affect gear changing

Q15	Tailgating means: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Following another vehicle too closely <input type="radio"/> Using the rear door of a hatchback car <input type="radio"/> Driving with rear fog lights <input type="radio"/> Reversing into a parking space
Q16	You should always check for blind areas before: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Giving a signal <input type="radio"/> Moving off <input type="radio"/> Changing gear <input type="radio"/> Slowing down
Q17	The dual carriageway you are turning left onto has a very narrow central reservation. What should you do? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Wait until the road is clear on both directions <input type="radio"/> Stop on the first lane so that other vehicles give way <input type="radio"/> Proceed to the central reservation and wait <input type="radio"/> Emerge slightly to show your intentions
Q18	Which of these emergency services might have blue flashing beacons? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Animal ambulances <input type="radio"/> Doctors cars <input type="radio"/> Bomb disposal <input type="radio"/> Gritting lorries
Q19	You have adjusted the tension on your drive chain you should check: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Valve clearance <input type="radio"/> Tyre pressure <input type="radio"/> Rear wheel alignment <input type="radio"/> Sidelights
Q20	When riding wearing brightly coloured clothing you will: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Be seen more easily by other motorists <input type="radio"/> Create a hazard by distracting other drivers <input type="radio"/> Dazzle other motorists on the road <input type="radio"/> Be able to ride on unlit roads with sidelights
Q21	When riding in heavy rain a film of water can build up between the road surface and your tyres. This may result in loss of control. What can you do to avoid this? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Increase your tyre pressure <input type="radio"/> Decrease your tyre pressure <input type="radio"/> Keep trying your brakes <input type="radio"/> Keep your speed down
Q22	When riding a sidecar attachment for the first time you should: Mark two answers
A	<ul style="list-style-type: none"> <input type="radio"/> Keep your speed down <input type="radio"/> Accelerate quickly round bends <input type="radio"/> Approach corners more carefully <input type="radio"/> Be able to stop more quickly

Q23	If you get cold and wet when riding. What is likely to happen? Mark two answers
A	<ul style="list-style-type: none"> <input type="radio"/> Your helmet may loosen <input checked="" type="radio"/> You may lose concentration <input type="radio"/> Your visor may freeze <input checked="" type="radio"/> Your reaction time may be slower <input type="radio"/> You may slide off the seat
Q24	At traffic lights you see the amber light ahead. Which light or lights, will come next? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Green and amber together <input checked="" type="radio"/> Red alone <input type="radio"/> Red and amber together <input type="radio"/> Green alone
Q25	You are driving on a motorway. A red cross is displayed above the hard shoulder. What does this mean? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Pull up on the lane to answer your mobile phone <input type="radio"/> Use this as a running lane <input type="radio"/> This lane can be closed if you need a rest <input checked="" type="radio"/> You should not travel on this lane
Q26	Motorcyclist are particularly vulnerable: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> On dual carriageways <input type="radio"/> On motorways <input type="radio"/> When moving off <input checked="" type="radio"/> When approaching junctions
Q27	Which of the following fairings would give you best weather protection? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Sports <input type="radio"/> Handlebar <input checked="" type="radio"/> Touring <input type="radio"/> Windscreen
Q28	When approaching unmarked crossroads. How should you deal with this type of junction? Mark one answer
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> Slow down and look both ways <input type="radio"/> Slow down and keep to the left <input type="radio"/> Accelerate and keep to the middle <input type="radio"/> Accelerate looking to the right.
Q29	When going straight ahead at a roundabout you should: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Indicate left before leaving the roundabout <input checked="" type="radio"/> Not indicate at any time <input type="radio"/> Indicate left when approaching the roundabout <input type="radio"/> Indicate right when approaching the roundabout

Q30	A toucan crossing is different from other crossings because: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Moped riders can use it <input checked="" type="radio"/> Cyclists can use it <input type="radio"/> It is controlled by a traffic warden <input type="radio"/> It is controlled by two flashing lights
Q31	You must ensure that any load carried on your motorcycle is: Mark two answers
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> Not sticking out dangerously <input type="radio"/> Attached to a red flag <input checked="" type="radio"/> Secure <input type="radio"/> Covered by a waterproof sheet
Q32	How should you ride a motorcycle when new tyres have just been fitted? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Fast to get rid of the shiny surface <input checked="" type="radio"/> Careful until the shiny surface has worn off <input type="radio"/> Continue driving as normal <input type="radio"/> Increase the tyre pressure.
Q33	How will a school crossing patrol signal you to stop? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> By pointing to the children in the opposite pavement <input type="radio"/> By displaying a red light <input checked="" type="radio"/> By displaying a stop sign <input type="radio"/> By displaying a stop arm signal
Q34	On ice or snow braking distances can increase by: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> 4 times <input type="radio"/> 6 Times <input checked="" type="radio"/> 10 Times <input type="radio"/> 20 Times
Q35	How will a police officer in a patrol car get you to stop Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> They will wait until you stop than approach you <input type="radio"/> They will pull along you and use the siren <input checked="" type="radio"/> They will flash their headlights, indicate to the right <input type="radio"/> They will cut in front of you
Q36	Before you make a U turn on the road you should: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Give an arm signal as well as using your indicators <input type="radio"/> Select a higher gear <input type="radio"/> Signal so that other drivers know what you are doing <input checked="" type="radio"/> Look over your shoulder for a final check
Q37	Why is it particularly important to carry out a check on your motorcycle before making a long journey? Mark one answer
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> Continuous high speeds may increase the risk of your motorcycle breaking down <input type="radio"/> Service stations do not deal with breakdowns <input type="radio"/> You will have to do more harsh breaking <input type="radio"/> The road surface will wear down the tyres faster

Q38	You are travelling behind a moped. You want to turn right just ahead. You should: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Overtake the moped before the junction <input type="radio"/> Pull alongside the moped and stay level until just before the junction <input type="radio"/> Sound your horn as a warning and pull in front of the moped <input checked="" type="radio"/> Stay behind until the moped has passed the junction
Q39	You have just ridden through a flood. When clear of water you should test your: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Steering <input type="radio"/> Headlights <input type="radio"/> Starter motor <input checked="" type="radio"/> Brakes
Q40	You are turning right at a junction. Pedestrians have started to cross the road. You should: Mark one answer
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> Give way to them <input type="radio"/> Go on, giving them plenty of room <input type="radio"/> Stop and wave at them to cross <input type="radio"/> Sound your horn and proceed
Q41	You have too much oil in your engine. What could this cause? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Chain wear <input checked="" type="radio"/> Oil leaks <input type="radio"/> Engine overheating <input type="radio"/> Low oil pressure
Q42	Your visor becomes badly scratched. You should: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Wash it with soapy water <input type="radio"/> Clean it with petrol <input type="radio"/> Polish it with fine abrasive <input checked="" type="radio"/> Replace it
Q43	Why should riders wear reflective clothing? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> To be seen better in the daylight <input type="radio"/> To protect them from the cold <input checked="" type="radio"/> To be seen better at night <input type="radio"/> To protect them from direct sunlight
Q44	Your indicators are difficult to see due to bright sunshine. When using them you should: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Flash your headlight <input checked="" type="radio"/> Also give an arm signal <input type="radio"/> Sound your horn <input type="radio"/> Keep both hands on the handlebar

Q45	You are carrying a bulky tank bag. What could this affect? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Your view ahead <input type="radio"/> Your ability to accelerate <input checked="" type="radio"/> Your ability to steer <input type="radio"/> Your insurance premium
Q46	On a motorcycle you should only use a mobile phone when you: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Have a pillion passenger to help <input checked="" type="radio"/> Have parked in a safe place <input type="radio"/> Have a motorcycle with automatic gears <input type="radio"/> Are travelling on a quiet road
Q47	Planning your route before setting out can be helpful. How can you do this? Mark one answer
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> Print or write down the route <input type="radio"/> Only visit places you know <input type="radio"/> Look in a motoring magazine <input type="radio"/> Try to travel at busy times
Q48	You are waiting at a pelican crossing. The red light changes to flashing amber. This means you must: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Move off immediately without hesitation <input checked="" type="radio"/> Wait for pedestrians on the crossing to clear <input type="radio"/> Wait for the green light before moving off <input type="radio"/> Get ready and go when the continuous amber light shows
Q49	You are on a two lane dual carriageway. For which TWO of the following would you use the left hand lane? Mark two answers
A	<ul style="list-style-type: none"> <input type="radio"/> Normal progress <input type="radio"/> Mending punctures <input checked="" type="radio"/> Overtaking slower traffic <input type="radio"/> Staying at the minimum allowed speed <input type="radio"/> Constant high speed <input checked="" type="radio"/> Turning left
Q50	Which of the following types of glasses should NOT be worn when riding at night? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Bi-focal <input type="radio"/> Half moon <input checked="" type="radio"/> Tinted <input type="radio"/> Round
Q51	A long, heavy-laden lorry is taking a long time to overtake you. What should you do? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Speed up <input type="radio"/> Hold your speed <input checked="" type="radio"/> Slow down <input type="radio"/> Change direction

Q52	The main causes of motorcycles skidding are: Mark three answers
A	<ul style="list-style-type: none"> <input type="radio"/> Heavy and sharp breaking <input type="radio"/> Riding in wet weather <input type="radio"/> Excessive acceleration <input type="radio"/> Riding in winter <input type="radio"/> Leaning too far when cornering
Q53	You are following a large lorry on a wet road. Spray makes it difficult to see. You should: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Keep close to the lorry, away from the spray <input type="radio"/> Put your headlights on full beam <input type="radio"/> Speed up and overtake quickly <input type="radio"/> Drop back until you can see better
Q54	You are in a line of traffic. The driver behind you is following you closely. What action should you take? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Ignore the following driver and continue to travel within the speed limit <input type="radio"/> Slow down, gradually increasing the gap between you and the vehicle in front <input type="radio"/> Signal right and wave the following driver past <input type="radio"/> Move over to a position just left of the centre line of the road
Q55	You are riding in very hot weather. What are TWO effects that melting tar has on the control of your motorcycle? Mark two answers
A	<ul style="list-style-type: none"> <input type="radio"/> It can make the surface slippery <input type="radio"/> It can reduce stopping distances <input type="radio"/> It can reduce tyre grip <input type="radio"/> It can improve braking efficiency
Q56	You are approaching crossroads. The traffic lights have failed. What should you do? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Be prepared to stop for any traffic <input type="radio"/> Brake sharply to stop before looking <input type="radio"/> Brake and stop only for large vehicles <input type="radio"/> Be prepared to brake sharply to stop
Q57	When should you especially check your engine oil? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Before a long journey <input type="radio"/> When the engine is hot <input type="radio"/> Early in the morning <input type="radio"/> Every 6000 kilometres
Q58	You are at the scene of an accident. Someone is suffering from shock. You should: Mark four answers
A	<ul style="list-style-type: none"> <input type="radio"/> Avoid moving them if possible <input type="radio"/> Give them a warm drink <input type="radio"/> Avoid leaving them alone <input type="radio"/> Offer them a cigarette <input type="radio"/> Reassure them constantly <input type="radio"/> Keep them warm

Q59	It is a very hot day. What would you expect to find? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Mud on the road <input type="radio"/> Banks of fog <input checked="" type="radio"/> A soft road surface <input type="radio"/> Roadwork's ahead
Q60	The driver in front of you has forgotten to cancel their left indicator you should: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Sound your horn before overtaking <input checked="" type="radio"/> Stay behind and not overtake <input type="radio"/> Flash your lights to alert the driver <input type="radio"/> Overtake on the left if there is room
Q61	When must you use a dipped headlight during the day? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Along narrow streets <input type="radio"/> When parking <input type="radio"/> On country roads <input checked="" type="radio"/> In poor visibility
Q62	The road is wet. Why might a motorcyclist steer round drain covers on a bend? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> To avoid splashing pedestrians on the pavement <input type="radio"/> To help judge the bends using the drain covers as marker points <input checked="" type="radio"/> To prevent the motorcycle sliding on metal drain covers <input type="radio"/> To avoid puncturing the tyres on the edge of the drain covers
Q63	At a mini roundabout it is important that a motorcyclist should avoid: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Using signal <input type="radio"/> Turning left <input type="radio"/> Looking round <input checked="" type="radio"/> The painted area
Q64	You are checking your direction indicators. How often per second should they flash? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Between 5 and 6 times <input type="radio"/> Between 3 and 4 times <input type="radio"/> Between 7 and 8 times <input checked="" type="radio"/> Between 1 and 2 times
Q65	In normal riding your position on the road should be: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> On the left of your lane <input type="radio"/> About 30 cms from the Kerb <input checked="" type="radio"/> About central on your lane <input type="radio"/> Near the centre of the road
Q66	Which TWO should you allow extra room when overtaking? Mark two answers
A	<ul style="list-style-type: none"> <input type="radio"/> Road sweeping vehicles <input checked="" type="radio"/> Motorcycles <input type="radio"/> Tractors <input checked="" type="radio"/> Bicycles

Q67	<p>Which of the following are most likely to take an unusual course at roundabouts? Mark two answers</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Estate cars <input checked="" type="radio"/> Long vehicles <input type="radio"/> Delivery vans <input checked="" type="radio"/> Cyclists
Q68	<p>The red lights are flashing when approaching a level crossing. What should you do? Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Go through quickly <input type="radio"/> Go through carefully <input checked="" type="radio"/> Stop before the barrier <input type="radio"/> Switch on your hazard warning lights
Q69	<p>You are travelling on a well-lit road at night in a built-up area. By using your dipped headlights you will be able to: Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Switch to main beam only <input checked="" type="radio"/> Be easily seen by others <input type="radio"/> See further along the road <input type="radio"/> Go at a much faster speed
Q70	<p>You arrive at the scene of an accident. It has just happened and somebody is unconscious. What action should you take? Mark two answers</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Try to get them to drink water <input checked="" type="radio"/> Clear their airways and keep them open <input type="radio"/> Look for any witnesses <input checked="" type="radio"/> Stop any heavy bleeding <input type="radio"/> Take the numbers of vehicles involved
Q71	<p>When traffic lights are out of order. Who has priority? Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Traffic turning left <input checked="" type="radio"/> Nobody <input type="radio"/> Traffic going straight ahead <input type="radio"/> Traffic turning right
Q72	<p>The road is wet. You are passing a line of queuing traffic and riding on the painted road markings. You should take extra care, particularly when: Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Signalling <input type="radio"/> Checking your mirrors <input type="radio"/> Carrying a passenger <input checked="" type="radio"/> Braking
Q73	<p>Your motorcycle has a catalytic converter. Its purpose is to reduce: Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Exhaust noise <input type="radio"/> Fuel consumption <input checked="" type="radio"/> Exhaust emissions <input type="radio"/> Engine noise

Q74	<p>At an accident a small child is not breathing. When giving mouth to mouth you should breathe:</p> <p>Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Heavily <input type="radio"/> Sharply <input checked="" type="radio"/> Gently <input type="radio"/> Rapidly
Q75	<p>You are approaching a mini roundabout. A long vehicle in front is signalling left but positioned on the right. You should:</p> <p>Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Sound your horn <input checked="" type="radio"/> Keep well back <input type="radio"/> Follow the same course as the lorry <input type="radio"/> Overtake on the left
Q76	<p>When is brake fade likely to happen?</p> <p>Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> When approaching a hazard <input checked="" type="radio"/> Continuous use of brakes <input type="radio"/> After every long journey <input type="radio"/> When the brakes are out of adjustment
Q77	<p>You arrive at an accident where someone is suffering from severe burns. You should:</p> <p>Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Apply lotions to the injury <input type="radio"/> Burst any blisters <input checked="" type="radio"/> Douse the burns with cool liquid <input type="radio"/> Remove anything stuck to the burns
Q78	<p>How should you dispose of a used battery?</p> <p>Mark two answers</p>
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> Take it to a garage <input type="radio"/> Burn it on a fire <input type="radio"/> Put it in the dustbin <input checked="" type="radio"/> Take it to a break yard <input type="radio"/> Break it in to pieces
Q79	<p>When may a learner rider carry a pillion passenger?</p> <p>Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> If the rider has a full car licence <input type="radio"/> If the passenger is over 21 <input checked="" type="radio"/> If the passenger holds a full motorcycle licence for at least two years. <input type="radio"/> Never
Q80	<p>A motorcycle is not allowed on a motorway if it has an engine size smaller than:</p> <p>Mark one answer</p>
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> 50cc <input type="radio"/> 250cc <input type="radio"/> 125cc <input type="radio"/> 500cc

Q81	You may only enter a yellow box junction when: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> There are less than two vehicles in front of you <input checked="" type="radio"/> Your exit road is clear <input type="radio"/> You need to turn right <input type="radio"/> The traffic lights show green
Q82	You should not ride in trainers and shorts because: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> The weather may change while you are out <input checked="" type="radio"/> There is not enough protection for your feet or legs in an accident <input type="radio"/> There will not be enough grip on the foot rests <input type="radio"/> You will not be able to operate the stand properly
Q83	You are riding in heavy rain when your rear wheel skids as you accelerate. To regain control what must you do? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Change down to a lower gear <input type="radio"/> Change up to a higher gear <input checked="" type="radio"/> Ease off the throttle <input type="radio"/> Accelerate more
Q84	Your medical condition means you have to take drugs. Who should you consult to see if you are fit to drive? Mark one answer
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> Your doctor <input type="radio"/> The police <input type="radio"/> The Department of Transport <input type="radio"/> The Post Office
Q85	95% of all accidents involve which main cause? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Tyre blow outs <input type="radio"/> Items falling off vehicles <input checked="" type="radio"/> Human error <input type="radio"/> Road rage
Q86	Who is responsible for making sure the motorcycle is not overloaded? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> The owner of the motorcycle <input checked="" type="radio"/> The rider of the motorcycle <input type="radio"/> The owner of the items being carried <input type="radio"/> The person who loaded the motorcycle
Q87	Until you pass your full motorcycle test you must: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Display green "L" plates on your bike <input type="radio"/> Only ride when a qualified instructor is present <input checked="" type="radio"/> Display red "L" plates on your bike <input type="radio"/> Only ride if someone with a full licence is present
Q88	To carry a pillion passenger your bike should have: Mark one answer
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> Rear foot rests <input type="radio"/> A grab handle <input type="radio"/> An engine over 125cc <input type="radio"/> Crash bars

Q89	<p>Which of the following must be in good working order for your motorcycle to be road-worthy?</p> <p>Mark two answers</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Oil warning light <input checked="" type="radio"/> Brakes <input type="radio"/> Revolution counter <input checked="" type="radio"/> Speedometer <input type="radio"/> Battery warning light
Q90	<p>You are travelling on a motorway. A bag falls from your motorcycle. What should you do?</p> <p>Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Stop and recover the bag <input type="radio"/> Drive on and abandon the bag <input checked="" type="radio"/> Stop at the next emergency phone and tell the police <input type="radio"/> Do a 'U' turn on the hard shoulder and drive back to the bag with your headlights on
Q91	<p>The legal minimum depth of tread for motorcycle tyres is?</p> <p>Mark one answer</p>
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> 1.0 mm <input type="radio"/> 1.6mm <input type="radio"/> 2.0mm <input type="radio"/> 6.0mm
Q92	<p>What does the term lifesaver mean?</p> <p>Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Wearing a reflective jacket <input type="radio"/> The petrol reserve on a tank <input checked="" type="radio"/> A final rear glance <input type="radio"/> Wearing Protective boots
Q93	<p>You are following a car driven by an elderly driver.</p> <p>You should:</p> <p>Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Flash your lights to overtake <input checked="" type="radio"/> Be aware that the driver's reactions may not be as fast as yours <input type="radio"/> Expect the driver to driver badly <input type="radio"/> Stay very close behind but be careful
Q94	<p>After warming up the engine you leave the choke on. What will this do?</p> <p>Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Improve handling <input checked="" type="radio"/> Use more fuel <input type="radio"/> Discharge the battery <input type="radio"/> Use less fuel
Q95	<p>Excessive or uneven tyre wear can be caused by faults in which THREE of the following:</p> <p>Mark three answers</p>
A	<ul style="list-style-type: none"> <input type="radio"/> The gearbox <input type="radio"/> The exhaust system <input checked="" type="radio"/> The braking system <input type="radio"/> The accelerator <input checked="" type="radio"/> Wheel alignment <input checked="" type="radio"/> The suspension

Q96	Heavy loads in a motorcycle top box may: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Improve stability <input checked="" type="radio"/> Cause low speed wobble <input type="radio"/> Improve braking <input type="radio"/> Cause a puncture
Q97	As you approach a pelican crossing the lights change to green. Elderly people are halfway across. You should: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Wave them to cross as quickly as they can <input type="radio"/> Flash your lights in case they have not heard you <input type="radio"/> Rev your engine to make them hurry <input checked="" type="radio"/> Wait because they take longer to cross
Q98	You should not look down at the front wheel when riding because it can: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Make your steering lighter <input checked="" type="radio"/> Upset your balance <input type="radio"/> Improve your balance <input type="radio"/> Use less fuel
Q99	When riding a motorcycle, which of these would make a tyre illegal? Mark two answers
A	<ul style="list-style-type: none"> <input type="radio"/> Tread less than 1.6mm <input checked="" type="radio"/> A re-cut tread <input type="radio"/> A stone wedge in the tread <input checked="" type="radio"/> Exposed ply or cord
Q100	As a safety measure before starting your engine, you should: Mark two answers
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> Push the motorcycle forward to check the rear wheel turns freely <input type="radio"/> Engage first gear and apply the rear brake <input type="radio"/> Engage first gear and apply the front brake <input checked="" type="radio"/> Glance at the neutral light on your instrument panel

**THIS SECTION IS COMPRISED OF
QUESTIONS AND ANSWERS FOR
APPLICANTS OF THE CAR
THEORY TEST**

Q 101	A cycle lane is marked by a solid white line. You must not drive or park in it: Mark one answer
A	<input type="radio"/> At any time <input type="radio"/> During the rush hour <input type="radio"/> If a cyclist is using it <input type="radio"/> During its period of operation
Q 102	While driving, you intend to turn left into a minor road. On the approach you should: Mark one answer
A	<input type="radio"/> Keep just left of the middle of the road <input type="radio"/> Keep in the middle of the road <input type="radio"/> Swing out wide just before turning <input type="radio"/> Keep well to the left of the road
Q 103	You may remove your seat belt when carrying out a manoeuvre that involves: Mark one answer
A	<input type="radio"/> Reversing <input type="radio"/> A hill start <input type="radio"/> An emergency stop <input type="radio"/> Driving slowly
Q 104	You must not reverse: Mark one answer
A	<input type="radio"/> Into a side road <input type="radio"/> For more than a car's length <input type="radio"/> For longer than necessary <input type="radio"/> In a built-up area
Q 105	When you are NOT sure that it is safe to reverse your vehicle you should: Mark one answer
A	<input type="radio"/> Use your horn <input type="radio"/> Rev your engine <input type="radio"/> Get out and check <input type="radio"/> Reverse slowly
Q 106	When may you reverse from a side road into a main road? Mark one answer
A	<input type="radio"/> Only if both roads are clear of traffic <input type="radio"/> Not at any time <input type="radio"/> At any time <input type="radio"/> Only if the main road is clear of traffic
Q 107	When may you use hazard warning lights when driving? Mark one answer
A	<input type="radio"/> Instead of sounding the horn in a built-up area between 11.30 pm and 7 am <input type="radio"/> On a motorway or unrestricted dual carriageway, to warn of a hazard ahead <input type="radio"/> On rural routes, after a warning sign of animals <input type="radio"/> On the approach to toucan crossings where cyclists are waiting to cross
Q 108	Before driving anyone else's motor vehicle you should make sure that: Mark one answer
A	<input type="radio"/> The vehicle owner has third party insurance cover <input type="radio"/> Your own vehicle has insurance cover <input type="radio"/> The vehicle is insured for your use <input type="radio"/> The owner has left the insurance documents in the vehicle

Q 109	You have broken down on a two-way road. You have a warning triangle. You should place the warning triangle at least how far from your vehicle? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> 5 metres (16 feet) <input type="radio"/> 25 metres (82 feet) <input checked="" type="radio"/> 45 metres (147 feet) <input type="radio"/> 100 metres (328 feet)
Q 110	Your tyre bursts while you are driving. Which TWO things should you do? Mark two answers
A	<ul style="list-style-type: none"> <input type="radio"/> Pull on the handbrake <input checked="" type="radio"/> Pull up slowly at the side of the road <input type="radio"/> Brake as quickly as possible <input checked="" type="radio"/> Hold the steering wheel firmly to keep control <input type="radio"/> Continue on at a normal speed
Q 111	Any load that is carried on a roof rack must be: Mark one answer
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> Securely fastened when driving <input type="radio"/> Carried only when strictly necessary <input type="radio"/> As light as possible <input type="radio"/> Covered with plastic sheeting
Q 112	If a trailer swerves or snakes when you are towing it you should: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Let go of the steering wheel and let it correct itself <input checked="" type="radio"/> Ease off the accelerator and reduce your speed <input type="radio"/> Brake hard and hold the pedal down <input type="radio"/> Increase your speed as quickly as possible
Q 113	How can you stop a caravan snaking from side to side? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Turn the steering wheel slowly to each side <input type="radio"/> Accelerate to increase your speed <input type="radio"/> Stop as quickly as you can <input checked="" type="radio"/> Slow down very gradually
Q 114	The legal minimum depth of tread for car tyres over three quarters of the breadth is: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> 1 mm <input checked="" type="radio"/> 1.6 mm <input type="radio"/> 2.5 mm <input type="radio"/> 4 mm
Q 115	You are carrying two 13 year old children and their parents in your car. Who is responsible for seeing that the children wear seat belts? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> The children's parents <input checked="" type="radio"/> You, the driver <input type="radio"/> The front-seat passenger <input type="radio"/> The children

Q 116	When a roof rack is not in use it should be removed. Why is this? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> It will affect the suspension <input type="radio"/> It is illegal <input type="radio"/> It will affect your braking <input type="radio"/> It will waste fuel
Q 117	Which FOUR are most likely to cause you to lose concentration while you are driving? Mark four answers
A	<ul style="list-style-type: none"> <input type="radio"/> Using a mobile phone <input type="radio"/> Checking the mirrors <input type="radio"/> Talking into a microphone <input type="radio"/> Using the demisters <input type="radio"/> Tuning your car radio <input type="radio"/> Looking at a map
Q 118	You should ONLY use a mobile phone when: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Receiving a call <input type="radio"/> Suitably parked <input type="radio"/> Driving at less than 30 kph <input type="radio"/> Driving an automatic vehicle
Q 119	Using a mobile phone while you are driving: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Is acceptable in a vehicle with power steering <input type="radio"/> Will reduce your field of vision <input type="radio"/> Could distract your attention from the road <input type="radio"/> Will affect your vehicle's electronic systems
Q 120	To reduce the volume of traffic on the roads you could: Mark three answers
A	<ul style="list-style-type: none"> <input type="radio"/> Travel by car at all times <input type="radio"/> Use public transport more often <input type="radio"/> Use a car with a smaller engine <input type="radio"/> Drive in a bus lane <input type="radio"/> Share a car when possible <input type="radio"/> Walk or cycle on short journeys
Q 121	Which THREE of the following are most likely to waste fuel? Mark three answers
A	<ul style="list-style-type: none"> <input type="radio"/> Reducing your speed <input type="radio"/> Carrying unnecessary weight <input type="radio"/> Using the wrong grade of fuel <input type="radio"/> Under-inflated tyres <input type="radio"/> Using different brands of fuel <input type="radio"/> A fitted, empty roof rack
Q 122	You are entering an area of road works. There is a temporary speed limit displayed. You should: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Not exceed the speed limit <input type="radio"/> Ignore the displayed limit <input type="radio"/> Obey the limit only during rush hour <input type="radio"/> Obey the limit except at night

Q 123	<p>Anti-lock brakes prevent wheels from locking. This means the tyres are less likely to:</p> <p>Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Aquaplane <input type="radio"/> Puncture <input checked="" type="radio"/> Skid <input type="radio"/> Wear
Q 124	<p>Anti-lock brakes reduce the chances of a skid occurring particularly when:</p> <p>Mark one answer</p>
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> Braking in an emergency <input type="radio"/> Driving down steep hills <input type="radio"/> Braking during normal driving <input type="radio"/> Driving on good road surfaces
Q 125	<p>Vehicles fitted with anti-lock brakes:</p> <p>Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Are impossible to skid <input checked="" type="radio"/> Can be steered while you are braking <input type="radio"/> Accelerate much faster <input type="radio"/> Are not fitted with a handbrake
Q 126	<p>Anti-lock brakes can greatly assist with:</p> <p>Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> A higher cruising speed <input type="radio"/> Control when accelerating <input checked="" type="radio"/> Steering control when braking <input type="radio"/> Motorway driving
Q 127	<p>You are driving a vehicle fitted with anti-lock brakes. You need to stop in an emergency. You should apply the footbrake:</p> <p>Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Slowly and gently <input type="radio"/> Slowly but firmly <input type="radio"/> Rapidly and gently <input checked="" type="radio"/> Rapidly and firmly
Q 128	<p>Your vehicle has anti-lock brakes, but they may not always prevent skidding. This is most likely to happen when driving:</p> <p>Mark two answers</p>
A	<ul style="list-style-type: none"> <input type="radio"/> In foggy conditions <input checked="" type="radio"/> On surface water <input checked="" type="radio"/> On loose road surfaces <input type="radio"/> On dry tarmac <input type="radio"/> At night on unlit roads
Q 129	<p>Front fog lights may be used ONLY if:</p> <p>Mark one answer</p>
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> Visibility is seriously reduced <input type="radio"/> They are fitted above the bumper <input type="radio"/> They are not as bright as the headlights <input type="radio"/> An audible warning device is used

Q 130	You are driving with your front fog lights switched on. Earlier fog has now cleared. What should you do? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Leave them on if other drivers have their lights on <input checked="" type="radio"/> Switch them off as long as visibility remains good <input type="radio"/> Flash them to warn oncoming traffic that it is foggy <input type="radio"/> Drive with them on instead of your headlights
Q 131	You are driving on a clear dry night with your rear fog lights switched on. This may: Mark two answers
A	<ul style="list-style-type: none"> <input type="radio"/> Reduce glare from the road surface <input checked="" type="radio"/> Make other drivers think you are braking <input type="radio"/> Give a better view of the road ahead <input checked="" type="radio"/> Dazzle following drivers <input type="radio"/> Help your indicators to be seen more clearly
Q 132	You forget to switch off your rear fog lights when the fog has cleared. This may: Mark three answers
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> Dazzle other road users <input type="radio"/> Reduce battery life <input checked="" type="radio"/> Cause brake lights to be less clear <input checked="" type="radio"/> Be breaking the law <input type="radio"/> Seriously affect engine power
Q 133	Before you make a U-turn in the road, you should: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Give an arm signal as well as using your indicators <input type="radio"/> Signal so that other drivers can slow down for you <input checked="" type="radio"/> Look over your shoulder for a final check <input type="radio"/> Select a higher gear than normal
Q 134	'Tailgating' means? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Using the rear door of a hatchback car <input type="radio"/> Reversing into a parking space <input checked="" type="radio"/> Following another vehicle too closely <input type="radio"/> Driving with rear fog lights on
Q 135	You will feel the effects of engine braking when you: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> only use the handbrake <input checked="" type="radio"/> change to a lower gear <input type="radio"/> only use neutral <input type="radio"/> change to a higher gear
Q 136	You claim on your insurance to have your car repaired. Your policy has an excess of £100. What does this mean? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> The insurance company will pay the first £100 of any claim <input type="radio"/> You will be paid £100 if you do not claim within one year <input type="radio"/> Your vehicle is insured for a value of £100 if it is stolen <input checked="" type="radio"/> You will have to pay the first £100 of the cost of repair to your car

Q 137	Your vehicle is insured third party only. This covers: Mark two answers
A	<ul style="list-style-type: none"> <input type="radio"/> Damage to your vehicle <input checked="" type="radio"/> Damage to other vehicles <input type="radio"/> Injury to yourself <input checked="" type="radio"/> Injury to others <input type="radio"/> All damage and injury
Q 138	Braking distances on ice can be: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Twice the normal distance <input type="radio"/> Five times the normal distance <input type="radio"/> Seven times the normal distance <input checked="" type="radio"/> Ten times the normal distance
Q 139	Freezing conditions will affect the distance it takes you to come to a stop. You should expect stopping distances to increase by up to: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Two times <input type="radio"/> Three times <input checked="" type="radio"/> Five times <input type="radio"/> Ten times
Q 140	In windy conditions you need to take extra care when: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Using the brakes <input type="radio"/> Making a hill start <input type="radio"/> Turning into a narrow road <input checked="" type="radio"/> Passing pedal cyclists
Q 141	A trailer must stay securely hitched up to the towing vehicle. What additional safety device can be fitted to the trailer braking system? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Stabiliser <input type="radio"/> Jockey wheel <input type="radio"/> Corner steadies <input checked="" type="radio"/> Breakaway cable
Q 142	Your vehicle is fitted with anti-lock brakes. To stop quickly in an emergency you should: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Brake firmly and pump the brake pedal on and off <input checked="" type="radio"/> Brake rapidly and firmly without releasing the brake pedal <input type="radio"/> Brake gently and pump the brake pedal on and off <input type="radio"/> Brake rapidly once, and immediately release the brake pedal
Q 143	You have an accident while driving through a tunnel. You are not injured but your vehicle cannot be driven. What should you do first? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Rely on other drivers phoning for the police <input checked="" type="radio"/> Switch off the engine and switch on hazard lights <input type="radio"/> Take the names of witnesses and other drivers <input type="radio"/> Sweep up any debris that is in the road

Q 144	You are planning to tow a caravan. Which of these will mostly help to aid the vehicle handling? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> A jockey wheel fitted to the tow bar <input type="radio"/> Power steering fitted to the towing vehicle <input type="radio"/> Anti-lock brakes fitted to the towing vehicle <input checked="" type="radio"/> A stabiliser fitted to the tow bar
Q 145	Are passengers allowed to ride in a caravan that is being towed? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Yes, if they are over fourteen <input checked="" type="radio"/> No, not at any time <input type="radio"/> Only if all the seats in the towing vehicle are full <input type="radio"/> Only if a stabiliser is fitted
Q 146	Your engine catches fire. What should you do first? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Lift the bonnet and disconnect the battery <input type="radio"/> Lift the bonnet and warn other traffic <input type="radio"/> Call a breakdown service <input checked="" type="radio"/> Call the fire brigade
Q 147	You are on a road that is only wide enough for one vehicle. There is a car coming towards you. What should you do? Mark one answer
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> Pull into a passing place on your right <input type="radio"/> Pull into a passing place if your vehicle is wider <input type="radio"/> Force the other driver to reverse <input type="radio"/> Pull into a passing place on your left
Q 148	While driving, a warning light on your vehicle's instrument panel comes on. You should: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Continue if the engine sounds all right <input type="radio"/> Hope that it is just a temporary electrical fault <input type="radio"/> Deal with the problem when there is more time <input checked="" type="radio"/> Check out the problem quickly and safely
Q 149	To supervise a learner driver, in the "B" category, you must: Mark two answers
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> Have held a full licence for at least 3 years <input type="radio"/> Be an approved driving instructor <input checked="" type="radio"/> Be at least 21 years old <input type="radio"/> Hold an advanced driving certificate
Q 150	When is it legal to drive a Private Motor Vehicle that is four years old without a Roadworthiness certificate? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Up to seven days after the old certificate has run out <input type="radio"/> When driving to the Motor Vehicle Test Centre to arrange an appointment <input type="radio"/> Just after buying a second-hand car with no Roadworthiness certificate <input checked="" type="radio"/> When driving to an appointment at the Motor Vehicle Test Centre

Q 151	Private Motor Vehicles must first have a Roadworthiness Certificate when they are: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> One year old <input checked="" type="radio"/> Four years old <input type="radio"/> Five years old <input type="radio"/> Seven years old
Q 152	As a car driver, which THREE lanes are you NOT normally allowed to use? Mark three answers
A	<ul style="list-style-type: none"> <input type="radio"/> Crawler lane <input checked="" type="radio"/> Bus lane <input type="radio"/> Overtaking lane <input type="radio"/> Acceleration lane <input checked="" type="radio"/> Cycle lane <input checked="" type="radio"/> Tram lane
Q 153	You are parked in a busy high street. What is the safest way to turn your vehicle around so you can go the opposite way? Mark one answer
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> Find a quiet side road to turn round in <input type="radio"/> Drive into a side road and reverse into the main road <input type="radio"/> Get someone to stop the traffic <input type="radio"/> Do a U-turn
Q 154	To help keep your vehicle secure at night, where should you park? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Near a police station <input type="radio"/> In a quiet road <input type="radio"/> On a red route <input checked="" type="radio"/> In a well-lit area
Q 155	On which THREE occasions MUST you stop your vehicle? Mark three answers
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> When in an accident were damage or injury is caused <input checked="" type="radio"/> When signalled to do so by a police officer <input type="radio"/> At a junction with double broken white lines <input type="radio"/> At a pelican crossing when the amber light is flashing and no pedestrians are crossing <input checked="" type="radio"/> At a red traffic light
Q 156	You intend to turn left into a side road. Just before turning you should check for motorcyclists who might be: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Overtaking on your right <input type="radio"/> Following you closely <input type="radio"/> Emerging from the side road <input checked="" type="radio"/> Overtaking on your left
Q 157	Your vehicle breaks down on the hard shoulder of a motorway. You decide to use your mobile phone to call for help. You should: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Stand at the rear of the vehicle while making the call <input type="radio"/> Try to repair the vehicle yourself <input checked="" type="radio"/> Get out of the vehicle by the right-hand door <input type="radio"/> Check your location from the marker posts on the left

Q 158	You are on a three-lane motorway towing a trailer. You may use the left-hand lane when: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> There are lane closures <input checked="" type="radio"/> There is slow moving traffic <input type="radio"/> You can maintain a high speed <input type="radio"/> Large vehicles are in the right and centre lanes
Q 159	You are driving down a steep hill. Why could keeping the clutch down or rolling in neutral for too long be dangerous? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Fuel consumption will be higher <input checked="" type="radio"/> Your vehicle will pick up speed <input type="radio"/> It will damage the engine <input type="radio"/> It will wear tyres out more quickly
Q 160	Holding the clutch pedal down or rolling in neutral for too long while driving will: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Use more fuel <input type="radio"/> Cause the engine to overheat <input checked="" type="radio"/> Reduce your control <input type="radio"/> Improve tyre wear
Q 161	When you are overtaking a cyclist you should leave as much room as you would give to a car. What is the main reason for this? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> The cyclist might change lanes <input type="radio"/> The cyclist might get off the bike <input checked="" type="radio"/> The cyclist might swerve <input type="radio"/> The cyclist might have to make a left turn
Q 162	Which TWO should you allow extra room when overtaking? Mark two answers
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> Motorcycles <input type="radio"/> Tractors <input checked="" type="radio"/> Bicycles <input type="radio"/> Road-sweeping vehicles
Q 163	Why should you look particularly for motorcyclists and cyclists at junctions? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> They may want to turn into the side road <input type="radio"/> They may slow down to let you turn <input type="radio"/> They might not see you turn <input checked="" type="radio"/> They are harder to see
Q 164	You are waiting to come out of a side road. Why should you watch carefully for motorcycles? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Motorcycles are usually faster than cars <input checked="" type="radio"/> Motorcycles are small and hard to see <input type="radio"/> Police patrols often use motorcycles <input type="radio"/> Motorcycles have right of way

Q 165	In daylight, an approaching motorcyclist is using a dipped headlight. Why? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> So that the rider can be seen more easily <input type="radio"/> To stop the battery overcharging <input type="radio"/> To improve the rider's vision <input type="radio"/> The rider is inviting you to proceed
Q 166	Motorcyclists should wear bright clothing mainly because: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> They must do so by law <input type="radio"/> It helps keep them cool in summer <input type="radio"/> The colours are popular <input type="radio"/> Drivers often do not see them
Q 167	There is a slow-moving motorcyclist ahead of you. You are unsure what the rider is going to do. You should: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Pass on the left <input type="radio"/> Stay behind <input type="radio"/> Pass on the right <input type="radio"/> Move closer
Q 168	Motorcyclists will often look round over their left shoulder just before turning left. This is because: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> They need to listen for following traffic <input type="radio"/> Motorcycles do not have mirrors <input type="radio"/> Looking around helps them balance as they turn <input type="radio"/> They need to check for traffic in their blind area
Q 169	At road junctions which of the following are most vulnerable? Mark two answers
A	<ul style="list-style-type: none"> <input type="radio"/> Cyclists <input type="radio"/> Pedestrians <input type="radio"/> Car drivers <input type="radio"/> Lorry drivers <input type="radio"/> Motorcyclists
Q 170	Motorcyclists are particularly vulnerable: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> When moving off <input type="radio"/> On dual carriageways <input type="radio"/> When approaching junctions <input type="radio"/> On motorways
Q 171	An injured motorcyclist is lying unconscious in the road. You should: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Remove the safety helmet <input type="radio"/> Seek medical assistance <input type="radio"/> Move the person off the road <input type="radio"/> Remove the leather jacket

Q 172	You are approaching a roundabout. There are horses just ahead of you. You should: Mark two answers
A	<ul style="list-style-type: none"> <input type="radio"/> Be prepared to stop <input type="radio"/> Treat them like any other vehicle <input type="radio"/> Give them plenty of room <input type="radio"/> Accelerate past as quickly as possible <input type="radio"/> Sound your horn as a warning
Q 173	Why is it dangerous to leave rear fog lights on when they are not needed? Mark two answers
A	<ul style="list-style-type: none"> <input type="radio"/> Brake lights are less clear <input type="radio"/> Electrical systems could be overloaded <input type="radio"/> Direction indicators may not work properly <input type="radio"/> Following drivers can be dazzled <input type="radio"/> The battery could fail
Q 174	You have to make a journey in fog. What are the TWO most important things you should do before you set out? Mark two answers
A	<ul style="list-style-type: none"> <input type="radio"/> Top up the radiator with anti-freeze <input type="radio"/> Make sure that you have a warning triangle in the vehicle <input type="radio"/> Check the battery <input type="radio"/> Check that your lights are working <input type="radio"/> Make sure that the windows are clean
Q 175	You have just driven out of fog. Visibility is now good. You MUST: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Keep your rear fog lights on <input type="radio"/> Keep your front fog lights on <input type="radio"/> Leave fog lights on in case fog returns <input type="radio"/> Switch off all your fog lights
Q 176	You are on a wet motorway with surface spray. You should use: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Dipped headlights <input type="radio"/> Hazard flashers <input type="radio"/> Rear fog lights <input type="radio"/> Sidelights
Q 177	Why is passing a lorry more risky than passing a car? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Lorries are longer than cars <input type="radio"/> Lorries may suddenly pull up <input type="radio"/> The brakes of lorries are not as good <input type="radio"/> Lorries climb hills more slowly

Q 178	You are travelling behind a bus that pulls up at a bus stop. What should you do? Mark two answers
A	<ul style="list-style-type: none"> <input type="radio"/> Accelerate past the bus sounding your horn <input checked="" type="radio"/> Watch carefully for pedestrians <input type="radio"/> Pull in closely behind the bus <input checked="" type="radio"/> Be ready to give way to the bus
Q 179	You are driving in heavy traffic on a wet road. Spray makes it difficult to be seen. You should use your: Mark two answers
A	<ul style="list-style-type: none"> <input type="radio"/> Full beam headlights <input checked="" type="radio"/> Rear fog lights if visibility is less than 100 metres (328 feet) <input type="radio"/> Rear fog lights if visibility is more than 100 metres (328 feet) <input checked="" type="radio"/> Dipped headlights <input type="radio"/> Sidelights only
Q 180	You are towing a caravan. Which is the safest type of rear-view mirror to use? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Interior wide-angle mirror <input checked="" type="radio"/> Extended-arm side mirrors <input type="radio"/> Ordinary door mirrors <input type="radio"/> Ordinary interior mirror
Q 181	When joining a motorway you must always: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Use the hard shoulder <input type="radio"/> Stop at the end of the acceleration lane <input type="radio"/> Come to a stop before joining the motorway <input checked="" type="radio"/> Give way to traffic already on the motorway
Q 182	You are travelling on a motorway. You decide you need a rest. You should: Mark two answers
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> Go to a service area <input type="radio"/> Stop on the hard shoulder <input type="radio"/> Park on the slip road <input type="radio"/> Park on the central reservation <input checked="" type="radio"/> Leave at the next exit
Q 183	You break down on a motorway. You need to call for help. Why may it be better to use an emergency roadside telephone rather than a mobile phone? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> It connects you to a local garage <input type="radio"/> Using a mobile phone will distract other drivers <input checked="" type="radio"/> It allows easy location by the emergency services <input type="radio"/> Mobile phones do not work on motorways
Q 184	After a breakdown you need to rejoin the main carriageway of a motorway from the hard shoulder. You should: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Move out onto the carriageway using your hazard lights <input type="radio"/> Gain speed on the hard shoulder before moving out <input checked="" type="radio"/> Move out onto the carriageway then build up your speed onto the carriageway <input type="radio"/> Wait on the hard shoulder until someone flashes their headlights at you

Q 185	You are dazzled at night by a vehicle behind you. You should: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Set your mirror to anti-dazzle <input type="radio"/> Set your mirror to dazzle the other driver <input type="radio"/> Brake sharply to a stop <input type="radio"/> Switch your rear lights on and off
Q 186	You are driving on a motorway. There are red flashing lights above every lane. You must: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Pull onto the hard shoulder <input type="radio"/> Slow down and watch for further signals <input type="radio"/> Leave at the next exit <input type="radio"/> Stop and wait
Q 187	A friend wants to help you learn to drive. They must be: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Over 21 and have held a full licence for at least two years <input type="radio"/> Over 18 and hold an advanced driver's certificate <input type="radio"/> Over 18 and have fully comprehensive insurance <input type="radio"/> Over 21 and have held a full licence for at least three years
Q 188	You are driving past parked cars. You notice a bicycle wheel sticking out between them. What should you do? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Accelerate past quickly and sound your horn <input type="radio"/> Slow down and wave the cyclist across <input type="radio"/> Brake sharply and flash your headlights <input type="radio"/> Slow down and be prepared to stop for a cyclist
Q 189	You are driving on a motorway. The traffic ahead is braking sharply because of an accident. How could you warn traffic behind you? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Briefly use the hazard warning lights <input type="radio"/> Switch on the hazard warning lights continuously <input type="radio"/> Briefly use the rear fog lights <input type="radio"/> Switch on the headlights continuously
Q 190	For which of these may you use hazard warning lights? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> When driving on a motorway to warn traffic behind of a hazard ahead <input type="radio"/> When you are double-parked on a two-way road <input type="radio"/> When your direction indicators are not working <input type="radio"/> When warning oncoming traffic that you intend to stop
Q 191	There is a tractor ahead of you. You wish to overtake but you are NOT sure if it is safe to do so. You should: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Follow another overtaking vehicle through <input type="radio"/> Sound your horn to the slow vehicle to pull over <input type="radio"/> Speed through but flash your lights to oncoming traffic <input type="radio"/> Not overtake if you are in doubt

Q 192	Hills can affect the performance of your vehicle. Which TWO apply when driving up steep hills? Mark two answers
A	<ul style="list-style-type: none"> <input type="radio"/> Higher gears will pull better <input checked="" type="radio"/> The engine will work harder <input type="radio"/> Overtaking will be easier <input type="radio"/> The steering will feel heavier <input checked="" type="radio"/> You will slow down sooner
Q 193	You are not sure if your cough medicine will affect you. What TWO things should you do? Mark two answers
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> Ask your doctor <input type="radio"/> Drive if you feel alright <input checked="" type="radio"/> Check the medicine label <input type="radio"/> Ask a friend or relative for advice
Q 194	If your motorway journey seems boring and you feel drowsy while driving, you should: Mark one answer
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> Open a window and drive to the next service area <input type="radio"/> Stop on the hard shoulder for a sleep <input type="radio"/> Speed up to arrive at your destination sooner <input type="radio"/> Slow down and let other drivers overtake
Q 195	You are approaching a busy junction. There are several lanes with road markings. At the last moment you realise that you are in the wrong lane. You should: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Force your way across <input type="radio"/> Stop until the area has cleared <input checked="" type="radio"/> Continue in that lane <input type="radio"/> Use clear arm signals to cut across
Q 196	Which vehicle might have to use a different course to normal at roundabouts? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Sports car <input type="radio"/> Van <input type="radio"/> Estate car <input checked="" type="radio"/> Long vehicle
Q 197	Anti-lock brakes will take effect when: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> You do not brake quickly enough <input checked="" type="radio"/> Maximum brake pressure has been applied <input type="radio"/> You have not seen a hazard ahead <input type="radio"/> Speeding on slippery road surfaces
Q 198	You MUST stop when signalled to do so by which TWO of these? Mark two answers
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> A police officer <input type="radio"/> A pedestrian <input type="radio"/> A bus driver <input checked="" type="radio"/> A red traffic light

Q 199	You are leaving your vehicle parked on a road. When may you leave the engine running? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> If you will be parking for less than five minutes <input type="radio"/> If the battery is flat <input type="radio"/> Never on any occasion <input type="radio"/> When in a 20 kph zone
Q 200	Someone is waiting to cross at a zebra crossing. They are standing on the pavement. You should normally: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Go on quickly before they step onto the crossing <input type="radio"/> Stop before you reach the zigzag lines and let them cross <input type="radio"/> Stop, let them cross, wait patiently <input type="radio"/> Ignore them as they are still on the pavement
Q 201	At a pelican crossing, what does a flashing amber light mean? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> You must give way to pedestrians still on the crossing <input type="radio"/> You must not move off until the lights stop flashing <input type="radio"/> You can move off, even if pedestrians are still on the crossing <input type="radio"/> You must stop because the lights are about to change to red
Q 202	You are waiting at a pelican crossing. The red light changes to flashing amber. This means you must: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Wait for pedestrians on the crossing to clear <input type="radio"/> Move off immediately without any hesitation <input type="radio"/> Wait for the green light before moving off <input type="radio"/> Get ready and go when the continuous amber light shows
Q 203	You are braking on a wet road. Your vehicle begins to skid. It does not have anti-lock brakes. What is the FIRST thing you should do? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Quickly pull up the handbrake <input type="radio"/> Release the footbrake fully <input type="radio"/> Push harder on the brake pedal <input type="radio"/> Gently use the accelerator
Q 204	How can you use your vehicle's engine as a brake? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> By selecting reverse gear <input type="radio"/> By changing to a higher gear <input type="radio"/> By selecting neutral gear <input type="radio"/> By changing to a lower gear
Q 205	You are having difficulty finding a parking space in a busy town. You can see there is space on the zigzag lines of a zebra crossing. Can you park there? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> No, unless you stay with your car <input type="radio"/> Yes, in order to drop off a passenger <input type="radio"/> Yes, if you do not block people from crossing <input type="radio"/> No, not in any circumstances

Q 206	Rear-facing baby seats should NEVER be used on a seat protected with: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> An airbag <input type="radio"/> Seat belts <input type="radio"/> Head restraints <input type="radio"/> Seat covers
Q 207	How can you lessen the risk of your vehicle being broken into at night? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Leave it in a well-lit area <input type="radio"/> Park in a quiet side road <input type="radio"/> Don't engage the steering lock <input type="radio"/> Park in a poorly-lit area
Q 208	On a vehicle, where would you find a catalytic converter? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> In the fuel tank <input type="radio"/> In the air filter <input type="radio"/> On the cooling system <input type="radio"/> On the exhaust system
Q 209	When leaving your car to help keep it secure you should: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Leave the hazard warning lights on <input type="radio"/> Lock it and remove the key <input type="radio"/> Park on a one-way street <input type="radio"/> Park in a residential area
Q 210	When emerging from junctions, which is most likely to obstruct your view? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Windscreen pillars <input type="radio"/> Steering wheel <input type="radio"/> Interior mirror <input type="radio"/> Windscreen wipers
Q 211	You are driving at night on an unlit road behind another vehicle. You should: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Flash your headlights <input type="radio"/> Use dipped beam headlights <input type="radio"/> Switch off your headlights <input type="radio"/> Use full beam headlights
Q 212	You are driving a slow-moving vehicle on a narrow winding road. You should: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Keep well out to stop vehicles overtaking dangerously <input type="radio"/> Wave following vehicles past you if you think they can overtake quickly <input type="radio"/> Pull in safely when you can, to let following vehicles overtake <input type="radio"/> Give a left signal when it is safe for vehicles to overtake you

Q 213	<p>Which TWO of these must be in good working order for your car to be roadworthy?</p> <p>Mark two answers</p>
A	<ul style="list-style-type: none"> <input type="radio"/> The temperature gauge <input checked="" type="radio"/> The speedometer <input type="radio"/> The windscreen washers <input checked="" type="radio"/> The windscreen wipers <input type="radio"/> The oil warning light <input type="radio"/> The horn
Q 214	<p>The most important reason for having a properly adjusted head restraint is to:</p> <p>Mark one answer</p>
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> Help you to avoid neck injury <input type="radio"/> Make you more comfortable <input type="radio"/> Help you to relax <input type="radio"/> Help you to maintain your driving position
Q 215	<p>You are driving the children of a friend home from school. They are both under 14 years old. Who is responsible for making sure they wear a seat belt?</p> <p>Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> An adult passenger <input type="radio"/> The children <input checked="" type="radio"/> You, the driver <input type="radio"/> Your friend
Q 216	<p>You have a loose filler cap on your diesel fuel tank. This will:</p> <p>Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Waste fuel and money <input checked="" type="radio"/> Make roads slippery for other road users <input type="radio"/> Improve your vehicles' fuel consumption <input type="radio"/> Increase the level of exhaust emissions
Q 217	<p>As a driver you can cause more damage to the environment by:</p> <p>Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Choosing a fuel-efficient vehicle <input type="radio"/> Making a lot of short journeys <input type="radio"/> Driving in as high a gear as possible <input checked="" type="radio"/> Accelerating as quickly as possible <input type="radio"/> Having your vehicle regularly serviced
Q 218	<p>If your vehicle uses diesel fuel, take extra care when refuelling. Diesel fuel when spilt is:</p> <p>Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Sticky <input type="radio"/> Odourless <input checked="" type="radio"/> Slippery <input type="radio"/> Clear
Q 219	<p>How can you reduce the chances of your car being broken into when leaving it unattended?</p> <p>Mark one answer</p>
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> Take all valuables with you <input type="radio"/> Park near a taxi rank <input type="radio"/> Place any valuables on the floor <input type="radio"/> Park near a fire station

Q 220	<p>How can you help to prevent your car radio being stolen? Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Park in an unlit area <input type="radio"/> Hide the radio with a blanket <input type="radio"/> Park near a busy junction <input type="radio"/> Install a security-coded radio
Q 221	<p>You are on the motorway. Luggage falls from your vehicle. What should you do? Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Stop at the next emergency telephone and contact the police <input type="radio"/> Stop on the motorway and put on hazard lights while you pick it up <input type="radio"/> Walk back up the motorway to pick it up <input type="radio"/> Pull up on the hard shoulder and wave traffic down
Q 222	<p>You are parking your car. You have some valuables which you are unable to take with you. What should you do? Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Park near a police station <input type="radio"/> Put them under the driver's seat <input type="radio"/> Lock them out of sight <input type="radio"/> Park in an unlit side road
Q 223	<p>Wherever possible, which one of the following should you do when parking at night? Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Park in a quiet car park <input type="radio"/> Park facing against the flow of traffic <input type="radio"/> Park next to a busy junction <input type="radio"/> Park in a well-lit area
Q 224	<p>What is the safest way to use a mobile phone in your vehicle? Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Use hands-free equipment <input type="radio"/> Find a suitable place to stop <input type="radio"/> Drive slowly on a quiet road <input type="radio"/> Direct your call through the operator
Q 225	<p>Your mobile phone rings while you are on the motorway. Before answering you should: Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Reduce your speed to 30 kph <input type="radio"/> Pull up on the hard shoulder <input type="radio"/> Move into the left-hand lane <input type="radio"/> Stop in a safe place
Q 226	<p>Your vehicle is fitted with a hands-free phone system. Using this equipment whilst driving: Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Is quite safe as long as you slow down <input type="radio"/> Is recommended by the highway code <input type="radio"/> Could distract your attention from the road <input type="radio"/> Could be very good for road safety

Q 227	Using a hands-free phone is likely to: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Divert your attention <input type="radio"/> Improve your safety <input type="radio"/> Increase your concentration <input type="radio"/> Reduce your view
Q 228	You should not use a mobile phone while driving: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Until you are satisfied that no other traffic is near <input type="radio"/> Because it might distract your attention from the road ahead <input type="radio"/> Unless you are able to drive one-handed <input type="radio"/> Because reception is poor when the engine is running
Q 229	You are driving down a long steep hill. You suddenly notice your brakes are not working as well as normal. What is the usual cause of this? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> The brakes overheating <input type="radio"/> Air in the brake fluid <input type="radio"/> Oil on the brakes <input type="radio"/> Badly adjusted brakes
Q 230	You are away from home and have to park your vehicle overnight. Where should you leave it? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Opposite another parked vehicle <input type="radio"/> In a quiet road <input type="radio"/> Opposite a traffic island <input type="radio"/> In a secure car park
Q 231	When snow is falling heavily you should: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Only drive with your hazard lights on <input type="radio"/> Not drive unless you have a mobile phone <input type="radio"/> Not drive unless it is essential <input type="radio"/> Only drive when your journey is short
Q 232	Signals are normally given by direction indicators and Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Brake lights <input type="radio"/> Side lights <input type="radio"/> Fog lights <input type="radio"/> Interior lights
Q 233	What TWO safeguards could you take against fire risk to your vehicle? Mark two answers
A	<ul style="list-style-type: none"> <input type="radio"/> Keep water levels above maximum <input type="radio"/> Carry a fire extinguisher <input type="radio"/> Avoid driving with a full tank of petrol <input type="radio"/> Use unleaded petrol <input type="radio"/> Check out any strong smell of petrol <input type="radio"/> Use low octane fuel

Q 234	<p>While you are driving in fog, it becomes necessary to use front fog lights. You should:</p> <p>Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Only turn them on in heavy traffic conditions <input type="radio"/> Remember not to use them on motorways <input type="radio"/> Only use them on dual carriageways <input type="radio"/> Remember to switch them off as visibility improves
Q 235	<p>You are driving through a tunnel. Your vehicle breaks down. What should you do?</p> <p>Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Switch on hazard warning lights <input type="radio"/> Remain in your vehicle <input type="radio"/> Wait for the police to find you <input type="radio"/> Rely on CCTV cameras seeing you
Q 236	<p>In which TWO places would parking your vehicle cause danger or obstruction to other road users?</p> <p>Mark two answers</p>
A	<ul style="list-style-type: none"> <input type="radio"/> In front of a property entrance <input type="radio"/> At or near a bus stop <input type="radio"/> On your driveway <input type="radio"/> In a marked parking space <input type="radio"/> On the approach to a level crossing
Q 237	<p>In which TWO places would parking cause an obstruction to others?</p> <p>Mark two answers</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Near the brow of a hill <input type="radio"/> In a lay-by <input type="radio"/> Where the kerb is raised <input type="radio"/> Where the kerb has been lowered for wheelchairs <input type="radio"/> At or near a bus stop
Q 238	<p>Before driving through a tunnel what should you do?</p> <p>Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Switch your radio off <input type="radio"/> Close your sunroof <input type="radio"/> Remove any sunglasses <input type="radio"/> Switch on windscreen wipers
Q 239	<p>You are driving through a tunnel and the traffic is flowing normally. What should you do?</p> <p>Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Use parking lights <input type="radio"/> Use front spot lights <input type="radio"/> Use dipped headlights <input type="radio"/> Use rear fog lights
Q 240	<p>There is a police car following you. The police officer flashes the headlights and points to the right. What should you do?</p> <p>Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Stop immediately <input type="radio"/> Pull up on the right <input type="radio"/> Move over to the right <input type="radio"/> Turn left at the next junction

Q 241	You may only enter a yellow box junction when: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> There are less than two vehicles in front of you <input type="radio"/> You need to turn right <input checked="" type="radio"/> Your exit road is clear <input type="radio"/> The traffic lights show green
Q 242	You want to turn left from a junction but your view is restricted by parked vehicles. What should you do? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Move out quickly, but be prepared to stop <input checked="" type="radio"/> Stop, then move slowly forward until you have a clear view <input type="radio"/> Sound your horn and pull out if there is no reply <input type="radio"/> Stop, get out and look along the main road to check
Q 243	During a long journey you discover the coolant in the vehicle radiator needs topping up. You should: Mark one answer
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> Let it cool before removing the filler cap <input type="radio"/> Hose down the engine to cool it before refilling <input type="radio"/> Keep the engine running and fill it with coolant immediately <input type="radio"/> Keep driving and the fan will cool the engine
Q 244	A large white triangle on the road surface before a road junction warns drivers that: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> They must stop at the junction <input checked="" type="radio"/> They must give way at the junction <input type="radio"/> The road widens ahead <input type="radio"/> They are entering a two way road
Q 245	An outside convex mirror fitted to a car makes a following vehicle appear to be : Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Closer than it really is <input checked="" type="radio"/> Further away than it really is <input type="radio"/> Larger than it really is <input type="radio"/> Travelling faster than it really is
Q 246	The most important consideration when adjusting your seat is that you can: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Fasten the seat belt <input type="radio"/> Reach the controls <input type="radio"/> Start the car <input checked="" type="radio"/> Operate the controls easily
Q 247	At a Pelican crossing the flashing amber signal follows the: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Green signal <input type="radio"/> Steady amber signal <input type="radio"/> Red and amber together <input checked="" type="radio"/> Red signal

Q 248	A toucan crossing is different from other crossings because: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> It is controlled by a traffic warden <input type="radio"/> Moped riders can use it <input checked="" type="radio"/> Cyclists can use it <input type="radio"/> It is controlled by two flashing lights
Q 249	You are parked at the side of the road, before moving off you should: Mark one answer
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> Check all mirrors and look around <input type="radio"/> Check the left side mirror <input type="radio"/> Check the interior and left side mirrors <input type="radio"/> Check the interior mirror
Q 250	You are driving in a built up area and approaching a speed hump. You should: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Move across to the right side of the road <input type="radio"/> Wait for any pedestrians to cross <input type="radio"/> Stop and check both pavements <input checked="" type="radio"/> Slow your vehicle right down
Q 251	In very hot weather the road surface can become soft. Which TWO of the following will be most affected? Mark two answers
A	<ul style="list-style-type: none"> <input type="radio"/> The suspension <input checked="" type="radio"/> The grip of the tyres <input type="radio"/> The exhaust <input checked="" type="radio"/> The braking

**THIS SECTION IS COMPRISED OF
GENERAL QUESTIONS AND ANSWERS
ON ROAD PROCEDURE FOR
APPLICANTS OF CAR AND
MOTORCYCLE THEORY TEST**

Q 252	You are waiting at a level crossing. The red warning lights continue to flash after a train has passed by. What should you do? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Get out and investigate <input type="radio"/> Telephone the signal operator <input checked="" type="radio"/> Continue to wait <input type="radio"/> Drive across carefully
Q 253	You are driving over a level crossing. The warning lights come on and a bell rings. What should you do? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Get everyone out of the vehicle immediately <input type="radio"/> Stop and reverse back to clear the crossing <input checked="" type="radio"/> Keep going and clear the crossing <input type="radio"/> Stop immediately and use your hazard warning lights
Q 254	You are on a busy main road and find that you are travelling in the opposite direction. What should you do? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Turn into a side road on the right and reverse into the main road <input type="radio"/> Make a U-turn in the main road <input type="radio"/> Make a 'three-point' turn in the main road <input checked="" type="radio"/> Turn round in a side road
Q 255	The white line along the side of the road: Mark one answer
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> Shows the edge of the carriageway <input type="radio"/> Shows the approach to a hazard <input type="radio"/> Means no parking <input type="radio"/> Means no overtaking
Q 256	You are waiting at a T-junction. A vehicle is coming from the right with the left signal flashing. What should you do? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Move out and accelerate hard <input checked="" type="radio"/> Wait until the vehicle starts to turn in <input type="radio"/> Pull out before the vehicle reaches the junction <input type="radio"/> Move out slowly
Q 257	To drive on the road learners MUST: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Have NO penalty points on their licence <input type="radio"/> Have taken professional instruction <input checked="" type="radio"/> Have a valid learners licence <input type="radio"/> Apply for a driving test within 12 months
Q 258	You break down on a level crossing. The lights have not yet begun to flash. Which THREE things should you do? Mark three answers
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> Telephone the signal operator <input checked="" type="radio"/> Leave your vehicle and get everyone clear <input type="radio"/> Walk down the track and signal the next train <input checked="" type="radio"/> Move the vehicle if a signal operator tells you to <input type="radio"/> Tell drivers behind what has happened

Q 259	It is illegal to drive with tyres that: Mark two answers
A	<ul style="list-style-type: none"> <input type="radio"/> Have been bought second-hand <input checked="" type="radio"/> Have a large deep cut in the side wall <input type="radio"/> Are of different makes <input checked="" type="radio"/> Are of different tread patterns
Q 260	You are on a long, downhill slope. What should you do to help control the speed of your vehicle? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Select neutral <input checked="" type="radio"/> Select a lower gear <input type="radio"/> Grip the handbrake firmly <input type="radio"/> Apply the parking brake gently
Q 261	You go to a social event and need to drive a short time after. What precaution should you take? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Avoid drinking alcohol on an empty stomach <input type="radio"/> Drink plenty of coffee after drinking alcohol <input checked="" type="radio"/> Avoid drinking alcohol completely <input type="radio"/> Drink plenty of milk before drinking alcohol
Q 262	You take some cough medicine given to you by a friend. What should you do before driving? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Ask your friend if taking the medicine affected their driving <input type="radio"/> Drink some strong coffee one hour before driving <input checked="" type="radio"/> Check the label to see if the medicine will affect your driving <input type="radio"/> Drive a short distance to see if the medicine is affecting your driving
Q 263	You are most likely to lose concentration when driving if you: Mark two answers
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> Use a mobile phone <input checked="" type="radio"/> Listen to very loud music <input type="radio"/> Switch on the heated rear window <input type="radio"/> Look at the door mirrors
Q 264	How can you, as a driver, help the environment? Mark three answers
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> By reducing your speed <input checked="" type="radio"/> By gentle acceleration <input type="radio"/> By using leaded fuel <input type="radio"/> By driving faster <input type="radio"/> By harsh acceleration <input checked="" type="radio"/> By servicing your vehicle properly
Q 265	In which of these situations should you avoid overtaking? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Just after a bend <input type="radio"/> In a one-way street <input type="radio"/> On a 30 kph road <input checked="" type="radio"/> Approaching a dip in the road

Q 266	Your mobile phone rings while you are travelling. You should: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Stop immediately <input type="radio"/> Answer it immediately <input checked="" type="radio"/> Pull up in a suitable place <input type="radio"/> Pull up at the nearest kerb
Q 267	At a pelican crossing the flashing amber light means you MUST: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Stop and wait for the green light <input type="radio"/> Stop and wait for the red light <input type="radio"/> Give way to pedestrians waiting to cross <input checked="" type="radio"/> Give way to pedestrians already on the crossing
Q 268	You should never wave people across at pedestrian crossings because: Mark one answer
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> There may be another vehicle coming <input type="radio"/> They may not be looking <input type="radio"/> It is safer for you to carry on <input type="radio"/> They may not be ready to cross
Q 269	You are following a vehicle on a wet road. You should leave a time gap of at least: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> One second <input type="radio"/> Two seconds <input checked="" type="radio"/> Three seconds <input type="radio"/> Four seconds
Q 270	Which of the following vehicles will use blue flashing beacons? Mark three answers
	<ul style="list-style-type: none"> <input checked="" type="radio"/> Bomb disposal <input type="radio"/> Motorway maintenance <input checked="" type="radio"/> Blood transfusion <input type="radio"/> Breakdown recovery <input checked="" type="radio"/> Police patrol
Q 271	When being followed by an ambulance showing a flashing blue beacon you should: Mark one answer
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> Pull over as soon as safely possible to let it pass <input type="radio"/> Accelerate hard to get away from it <input type="radio"/> Maintain your speed and course <input type="radio"/> Brake harshly and immediately stop in the road
Q 272	On a road where trams operate, which of these vehicles will be most at risk from the tram rails? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Cars <input checked="" type="radio"/> Cycles <input type="radio"/> Buses <input type="radio"/> Lorries

Q 273	What should you use your horn for? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> To alert others to your presence <input type="radio"/> To allow you right of way <input type="radio"/> To greet other road users <input type="radio"/> To signal your annoyance
Q 274	You wish to turn left ahead. Why should you take up the correct position in good time? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> To allow other drivers to pull out in front of you <input type="radio"/> To help other road users know what you intend to do <input type="radio"/> To give a better view into the road that you're joining <input type="radio"/> To allow drivers to pass you on the right
Q 275	Which TWO are badly affected if the tyres are under-inflated? Mark two answers
A	<ul style="list-style-type: none"> <input type="radio"/> Braking <input type="radio"/> Changing gear <input type="radio"/> Steering <input type="radio"/> Parking
Q 276	You must NOT sound your horn: Mark two answers
A	<ul style="list-style-type: none"> <input type="radio"/> Within the inner City at any time <input type="radio"/> Between 10 pm and 6 am in a built-up area <input type="radio"/> At any time in a built-up area <input type="radio"/> Between 11.30 pm and 6 am on any road <input type="radio"/> Between 9pm and 7am elsewhere than in the inner City
Q 277	What is the legal minimum insurance cover you must have to drive on public roads? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Third party, fire and theft <input type="radio"/> Comprehensive <input type="radio"/> Third party only <input type="radio"/> Personal injury cover
Q 278	You can save fuel when conditions allow by: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Using lower gears as often as possible <input type="radio"/> Accelerating sharply in each gear <input type="radio"/> Using each gear in turn <input type="radio"/> Missing out some gears
Q 279	You will find that driving smoothly can: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Reduce fuel consumption by about 15% <input type="radio"/> Reduce journey times by about 15% <input type="radio"/> Increase fuel consumption by about 15% <input type="radio"/> Increase journey times by about 15%

Q 280	Road humps, chicanes, and narrowings are: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Always at major road works <input type="radio"/> Used to increase traffic speed <input type="radio"/> At toll-bridge approaches only <input checked="" type="radio"/> Traffic calming measures
Q 281	A driver pulls out of a side road in front of you. You have to brake hard. You should: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Flash your lights to show your annoyance <input checked="" type="radio"/> Ignore the error and stay calm <input type="radio"/> Sound your horn to show your annoyance <input type="radio"/> Overtake as soon as possible
Q 282	An elderly person's driving ability could be affected because they may be unable to: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Obtain car insurance <input type="radio"/> Understand road signs <input checked="" type="radio"/> React very quickly <input type="radio"/> Give signals correctly
Q 283	You are turning right into a side road. What hazards should you be especially aware of? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> One way street <input checked="" type="radio"/> Pedestrians <input type="radio"/> Traffic congestion <input type="radio"/> Parked vehicles
Q 284	You are on a motorway. There is a contraflow system ahead. What would you expect to find? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Temporary traffic lights <input type="radio"/> Speed humps <input type="radio"/> Wider lanes than normal <input checked="" type="radio"/> Lower speed limits
Q 285	You see a pedestrian with a white stick and red band. This means that the person is: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Physically disabled <input type="radio"/> Deaf only <input type="radio"/> Blind only <input checked="" type="radio"/> Deaf and blind
Q 286	You see two elderly pedestrians about to cross the road ahead. You should: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Expect them to wait for you to pass <input checked="" type="radio"/> Be careful, they may misjudge your speed <input type="radio"/> Speed up to get past them quickly <input type="radio"/> Stop and wave them across the road

Q 287	You are coming up to a roundabout. A cyclist is signalling to turn left. What should you do? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Overtake on the left <input type="radio"/> Give a horn warning <input type="radio"/> Signal the cyclist to move across <input type="radio"/> Give the cyclist plenty of room
Q 288	You are waiting to emerge right from a minor road. A large vehicle is approaching from the left. You have time to turn, but you should wait. Why? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> The large vehicle can easily hide an overtaking vehicle <input type="radio"/> The large vehicle can turn suddenly <input type="radio"/> The large vehicle is difficult to steer in a straight line <input type="radio"/> The large vehicle can easily hide vehicles from the left
Q 289	Before overtaking a large vehicle you should keep well back. Why is this? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> To give acceleration space to overtake quickly on blind bends <input type="radio"/> To get the best view of the road ahead <input type="radio"/> To leave a gap in case the vehicle stops and rolls back <input type="radio"/> To offer other drivers a safe gap if they want to overtake you
Q 290	In which TWO of these situations may you overtake another vehicle on the right? Mark two answers
A	<ul style="list-style-type: none"> <input type="radio"/> When you are in a one-way street <input type="radio"/> When approaching a motorway slip road where you will be turning off <input type="radio"/> When the vehicle in front is signalling to turn left? <input type="radio"/> When a slower vehicle is travelling in the left-hand lane of a dual carriageway <input type="radio"/> In slow-moving traffic queues when traffic in the left-hand lane is moving more slowly
Q 291	You are travelling in very heavy rain. Your overall stopping distance is likely to be: Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Doubled <input type="radio"/> Up to ten times greater <input type="radio"/> No different <input type="radio"/> Halved
Q 292	Which TWO of the following are correct? When overtaking at night you should: Mark two answers
A	<ul style="list-style-type: none"> <input type="radio"/> Wait until a bend so that you can see the oncoming headlights <input type="radio"/> Be careful because you can see less <input type="radio"/> Sound your horn twice before moving out <input type="radio"/> Beware of bends in the road ahead <input type="radio"/> Put headlights on full beam
Q 293	You are driving towards a zebra crossing. A person in a wheelchair is waiting to cross. What should you do? Mark one answer
A	<ul style="list-style-type: none"> <input type="radio"/> Continue on your way <input type="radio"/> Wave to the person to cross <input type="radio"/> Wave to the person to wait <input type="radio"/> Be prepared to stop

Q 294	<p>What colour are the reflective studs between a motorway and its slip road? Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Amber <input type="radio"/> White <input type="radio"/> Green <input type="radio"/> Red
Q 295	<p>On a clearway you must not stop: Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> At any time <input type="radio"/> When it is busy <input type="radio"/> In the rush hour <input type="radio"/> During daylight hours
Q 296	<p>What does the term 'blind spot' mean for a driver? Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> An area covered by your right-hand mirror <input type="radio"/> An area not covered by your headlights <input type="radio"/> An area covered by your left-hand mirror <input type="radio"/> An area not covered by your mirrors
Q 297	<p>To avoid spillage after refuelling, you should make sure that: Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Your tank is only three quarters full <input type="radio"/> You have used a locking filler cap <input type="radio"/> You check your fuel gauge is working <input type="radio"/> Your filler cap is securely fastened
Q 298	<p>Before entering a tunnel it is good advice to: Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Put on your sunglasses <input type="radio"/> Check tyre pressures <input type="radio"/> Change to a lower gear <input type="radio"/> Tune your radio to a local channel
Q 299	<p>When should you especially check the engine oil level? Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> Before a long journey <input type="radio"/> When the engine is hot <input type="radio"/> Early in the morning <input type="radio"/> Every 6000 kilometres
Q 300	<p>What is the overall stopping distance when travelling at 32kph in good dry conditions? Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> 5 metres <input type="radio"/> 8 metres <input type="radio"/> 12 metres <input type="radio"/> 15 metres
Q 301	<p>What is the overall stopping distance when travelling at 48 kph in good dry conditions? Mark one answer</p>
A	<ul style="list-style-type: none"> <input type="radio"/> 14 metres <input type="radio"/> 17 metres <input type="radio"/> 23 metres <input type="radio"/> 26 metres

Q 302	What is the overall stopping distance when travelling at 64 kph in good dry conditions? Mark one answer
A	<input type="radio"/> 36 metres <input type="radio"/> 39 metres <input type="radio"/> 44 metres <input type="radio"/> 50 metres
Q 303	What is the overall stopping distance when travelling at 80 kph in good dry conditions? Mark one answer
A	<input type="radio"/> 49 metres <input type="radio"/> 53 metres <input type="radio"/> 59 metres <input type="radio"/> 60 metres
Q 304	What is the overall stopping distance when travelling at 96 kph in good dry conditions? Mark one answer
A	<input type="radio"/> 63 metres <input type="radio"/> 67 metres <input type="radio"/> 70 metres <input type="radio"/> 73 metres
Q 305	What is the overall stopping distance when travelling at 112 kph in good dry conditions? Mark one answer
A	<input type="radio"/> 90 metres <input type="radio"/> 96 metres <input type="radio"/> 103 metres <input type="radio"/> 110 metres

**THIS SECTION IS COMPRISED OF
QUESTIONS AND ANSWERS
RELATING TO TRAFFIC SIGNS FOR
CAR AND MOTORCYCLES**

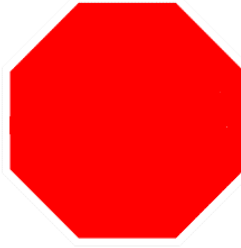

Q 306 Which sign means that pedestrians may be walking along the road?
Mark **one** answer

Answer

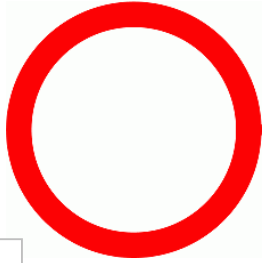

Q 307 Which shape is used for a 'give way' sign?
Mark **one** answer

Answer

Q 308 Traffic signs giving orders are generally which shape?

Mark **one** answer

Answer

Q 309 Which of these signs means road narrows on left?

Mark **one** answer

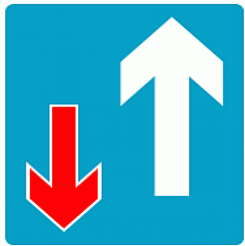

Answer

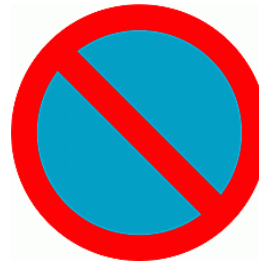

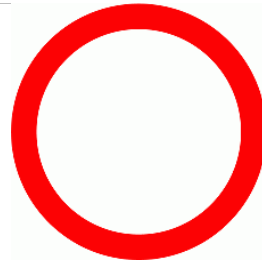

Q 310 Which sign means no overtaking?
Mark **one** answer

Answer

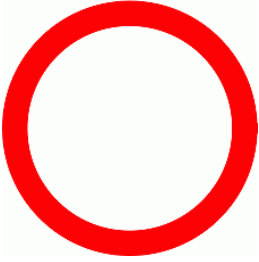

Q 311 Which sign means no waiting?
Mark **one** answer

Answer

Q 312	You MUST obey signs giving orders. These signs are usually: Mark one answer	
A	<input type="radio"/> Circular <input type="radio"/> Triangular <input type="radio"/> Rectangular <input type="radio"/> Blue	
Q 313	What shape is a STOP sign? Mark one answer	
A	<input type="radio"/> Circular <input type="radio"/> Triangular <input type="radio"/> Inverted triangle <input type="radio"/> Octagonal	
Q 314	Signs with blue circles are mostly? Mark one answer	
A	<input type="radio"/> Orders <input type="radio"/> Warnings <input type="radio"/> Compulsory <input type="radio"/> Directions	
Q 315	Information signs are usually? Mark one answer	
A	<input type="radio"/> Circular <input type="radio"/> Rectangular <input type="radio"/> Triangular <input type="radio"/> Octagonal	
Q 316	Triangular signs are mostly? Mark one answer	
A	<input type="radio"/> Signs giving orders <input type="radio"/> Signs giving warnings <input type="radio"/> Signs giving positive instruction <input type="radio"/> Signs giving directions	
Q 317	What does this sign mean? Mark one answer	
A	Ahead only Level crossing with gate Level crossing without gate Crossroads	
Q 318	What does this sign mean? Mark one answer	
A	<input type="radio"/> Bend to the right <input type="radio"/> No traffic from the right <input type="radio"/> No right turn <input type="radio"/> Road on the right close	

Q 319	<p>What does this sign mean? Mark one answer</p>	
A	<ul style="list-style-type: none"> <input type="radio"/> No right turn <input checked="" type="radio"/> No left turn <input type="radio"/> Give way to traffic on your right <input type="radio"/> No entry 	
Q 320	<p>Which FOUR of these would be indicated by a triangular road sign? Mark four answers</p>	
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> Road narrows on both sides <input checked="" type="radio"/> Hump bridge <input checked="" type="radio"/> School crossing ahead <input type="radio"/> Ahead only <input type="radio"/> Minimum speed <input checked="" type="radio"/> T-junction 	
Q 321	<p>What does this sign mean? Mark one answer</p>	
A	<ul style="list-style-type: none"> <input type="radio"/> No left Lane <input type="radio"/> No left turn <input checked="" type="radio"/> No U-turns <input type="radio"/> Left lane ends 	
Q 322	<p>What does this sign mean? Mark one answer</p>	
A	<ul style="list-style-type: none"> <input type="radio"/> No motor vehicles <input checked="" type="radio"/> No overtaking <input type="radio"/> No cars <input type="radio"/> Dual carriage way 	
Q 323	<p>What does this sign mean? Mark one answer</p>	
A	<ul style="list-style-type: none"> <input type="radio"/> No stopping <input checked="" type="radio"/> Parking or waiting restricted <input type="radio"/> No motor vehicles <input type="radio"/> No parking 	

<p>Q 324</p>	<p>What does this sign mean? Mark one answer</p>	
<p>A</p>	<ul style="list-style-type: none"> <input type="radio"/> No stopping (Clearway) <input type="radio"/> Waiting restrictions apply <input type="radio"/> No entry <input type="radio"/> No parking 	
<p>Q 325</p>	<p>What does this sign mean? Mark one answer</p>	
<p>A</p>	<ul style="list-style-type: none"> <input type="radio"/> No entry <input type="radio"/> No vehicles <input type="radio"/> Stop <input type="radio"/> Give way 	
<p>Q 326</p>	<p>What does this sign mean? Mark one answer</p>	
<p>A</p>	<ul style="list-style-type: none"> <input type="radio"/> No through road <input type="radio"/> No entry for vehicular traffic <input type="radio"/> Road closed ahead <input type="radio"/> Motorway exit 	
<p>Q 327</p>	<p>What MUST you do when you see this sign? Mark one answer</p>	
<p>A</p>	<ul style="list-style-type: none"> <input type="radio"/> Stop, only if a red light is showing <input type="radio"/> Stop, only if children are waiting to cross <input type="radio"/> Stop, even if the road is clear <input type="radio"/> Stop, only if traffic is approaching 	
<p>Q 328</p>	<p>What MUST you do when you see this sign? Mark one answer</p>	
<p>A</p>	<ul style="list-style-type: none"> <input type="radio"/> Stop <input type="radio"/> Give way to traffic on major road <input type="radio"/> No parking <input type="radio"/> No vehicles 	

Q 329	What does this sign mean? Mark one answer	
A	<ul style="list-style-type: none"> <input type="radio"/> Warning zigzag road ahead <input type="radio"/> Sharp bend ahead <input checked="" type="radio"/> Bend to right <input type="radio"/> Reduce speed before turning right 	
Q 330	What does this sign mean? Mark one answer	
A	<ul style="list-style-type: none"> <input type="radio"/> Slippery road when wet <input checked="" type="radio"/> Double bend first to left <input type="radio"/> Double bend first to right <input type="radio"/> Zigzag road ends ahead 	
Q 331	What does this sign mean? Mark one answer	
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> Double bend first to right <input type="radio"/> Bend to left <input type="radio"/> Junction on bend <input type="radio"/> Slippery road 	
Q 332	What does this sign mean? Mark one answer	
A	<ul style="list-style-type: none"> <input type="radio"/> Zigzag road ahead <input type="radio"/> Uneven road surface <input checked="" type="radio"/> Slippery road <input type="radio"/> Ice conditions ahead 	
Q 333	What does this sign mean? Mark one answer	
A	<ul style="list-style-type: none"> <input checked="" type="radio"/> Falling or fallen rocks <input type="radio"/> Side winds <input type="radio"/> Quayside or riverbank <input type="radio"/> Uneven surface 	
Q 334	What does this sign mean? Mark one answer	
A	<ul style="list-style-type: none"> <input type="radio"/> Bridge ahead <input type="radio"/> Ford ahead <input type="radio"/> Tunnel ahead <input checked="" type="radio"/> Uneven road 	

<p>Q 335</p>	<p>What does this sign mean? Mark one answer</p>	
<p>A</p>	<ul style="list-style-type: none"> <input type="radio"/> Traffic signals end <input type="radio"/> Pedestrian crossing <input type="radio"/> No through road <input checked="" type="radio"/> Traffic light 	
<p>Q 336</p>	<p>What does this sign mean? Mark one answer</p>	
<p>A</p>	<ul style="list-style-type: none"> <input type="radio"/> Road narrows on right <input type="radio"/> Single lane traffic ahead <input type="radio"/> Dual carriageway ends <input checked="" type="radio"/> Road narrows on both sides 	
<p>Q 337</p>	<p>What does this sign mean? Mark one answer</p>	
<p>A</p>	<ul style="list-style-type: none"> <input type="radio"/> Move into right lane <input checked="" type="radio"/> Road narrows on left <input type="radio"/> Right Lane ends ahead <input type="radio"/> Warning two lane motorway 	
<p>Q 338</p>	<p>What does this sign mean? Mark one answer</p>	
<p>A</p>	<ul style="list-style-type: none"> <input type="radio"/> Move into left lane <input type="radio"/> End of left lane <input type="radio"/> Two way traffic <input checked="" type="radio"/> Road narrows on right 	
<p>Q 339</p>	<p>What does this sign mean? Mark one answer</p>	
<p>A</p>	<ul style="list-style-type: none"> <input type="radio"/> T-junction <input type="radio"/> No through road <input type="radio"/> Turn right <input checked="" type="radio"/> Side road 	

<p>Q 340</p>	<p>What does this sign mean? Mark one answer</p>	
<p>A</p>	<ul style="list-style-type: none"> <input type="radio"/> Crossroads <input checked="" type="radio"/> Staggered junction <input type="radio"/> Junction on bend <input type="radio"/> T-junction 	
<p>Q 341</p>	<p>What does this sign mean? Mark one answer</p>	
<p>A</p>	<ul style="list-style-type: none"> <input type="radio"/> Low bridge ahead <input type="radio"/> Railway tunnel ahead <input checked="" type="radio"/> Hump bridge <input type="radio"/> Tunnel ahead 	
<p>Q 342</p>	<p>What does this sign mean? Mark one answer</p>	
<p>A</p>	<ul style="list-style-type: none"> <input checked="" type="radio"/> Steep hill downwards <input type="radio"/> Loose chippings <input type="radio"/> Accident spot <input type="radio"/> Uphill gradient 	
<p>Q 343</p>	<p>What does this sign mean? Mark one answer</p>	
<p>A</p>	<ul style="list-style-type: none"> <input type="radio"/> Loose chippings <input type="radio"/> Accident spot <input checked="" type="radio"/> Steep hill upwards <input type="radio"/> Downhill gradient 	
<p>Q 344</p>	<p>What does this sign mean? Mark one answer</p>	
<p>A</p>	<ul style="list-style-type: none"> <input type="radio"/> School Patrol <input checked="" type="radio"/> Pedestrian crossing <input type="radio"/> Traffic island <input type="radio"/> Elderly people crossing 	

<p>Q 345</p>	<p>What does this sign mean? Mark one answer</p>	
<p>A</p>	<ul style="list-style-type: none"> <input type="radio"/> No vehicles <input type="radio"/> Mini-roundabout <input checked="" type="radio"/> Roundabout <input type="radio"/> Ring road 	
<p>Q 346</p>	<p>What does this sign mean? Mark one answer</p>	
<p>A</p>	<ul style="list-style-type: none"> <input type="radio"/> Aircraft only <input type="radio"/> Oncoming airport <input checked="" type="radio"/> Low flying aircraft or sudden aircraft noise <input type="radio"/> Trams crossing ahead 	
<p>Q 347</p>	<p>What does this sign mean? Mark one answer</p>	
<p>A</p>	<ul style="list-style-type: none"> <input type="radio"/> Dual carriageway ends <input checked="" type="radio"/> T-junction <input type="radio"/> Two-way traffic straight ahead <input type="radio"/> Danger ahead 	
<p>Q 348</p>	<p>What does this sign mean? Mark one answer</p>	
<p>A</p>	<ul style="list-style-type: none"> <input type="radio"/> You have right of way <input type="radio"/> No overtaking <input checked="" type="radio"/> Two-way traffic straight ahead <input type="radio"/> Oncoming traffic has priority 	
<p>Q 349</p>	<p>What does this sign mean? Mark one answer</p>	
<p>A</p>	<ul style="list-style-type: none"> <input type="radio"/> Two-way traffic straight ahead <input type="radio"/> Two-way traffic over a bridge <input type="radio"/> Two-way traffic crosses a two-way road <input checked="" type="radio"/> Two-way traffic crosses one-way road 	

<p>Q 350</p>	<p>What does this sign mean? Mark one answer</p>	
<p>A</p>	<ul style="list-style-type: none"> <input type="radio"/> Goods vehicles access <input type="radio"/> No goods vehicles over unladen weight shown (unladen weight limit) <input type="radio"/> Goods vehicles with unladen weight shown (unladen weight limit) <input type="radio"/> No access to goods vehicles 	
<p>Q 351</p>	<p>Which type of vehicle does this sign apply to? Mark one answer</p>	
<p>A</p>	<ul style="list-style-type: none"> <input type="radio"/> No vehicles over width shown <input type="radio"/> High Vehicles <input type="radio"/> Long Vehicles <input type="radio"/> Heavy Vehicles 	
<p>Q 352</p>	<p>What does this sign mean? Mark one answer</p>	
<p>A</p>	<ul style="list-style-type: none"> <input type="radio"/> No vehicles over the width shown <input type="radio"/> No vehicle or combination of vehicles over length shown <input type="radio"/> No vehicles <input type="radio"/> No vehicles over the height shown 	
<p>Q 353</p>	<p>What does this sign mean? Mark one answer</p>	
<p>A</p>	<p>No cars No motorbikes No entry No motor vehicles</p>	
<p>Q 354</p>	<p>What does this sign mean? Mark one answer</p>	
<p>A</p>	<ul style="list-style-type: none"> <input type="radio"/> No motor vehicles <input type="radio"/> No motor vehicles except solo motor cycles, scooters or mopeds <input type="radio"/> Single lane <input type="radio"/> No overtaking
