6 Drawings (location plan and block plans must be submitted in all cases)

List all drawings, plans included with the application

7 Environmental Statement and Consultation

Three copies of the environmental statement (including the non-technical summary) must be submitted to the Commission with all applications. In addition, the applicant must serve copies of the application, plans and Environmental Statement on the consultation bodies specified by the Commission. You must inform these bodies that they may make representations to the Commission. Please provide details of the bodies so served.

You are also required to inform 'any particular person' (includes any non-governmental organisation promoting environmental protection) that you consider is likely to be affected by, or has an interest in, the application. The Regulations specify the nature of the information to be provided to such persons. You are advised to use the attached Regulation 9 notice for this purpose. Details of any such person notified should be included in the list below.

Consultation Body/person	Address	Date of service

Continue on a separate sheet if necessary

The applicant must publish a notice (Notice attached – 'Regulation 9 Notice') in the Gibraltar Gazette and in a daily and weekly newspaper and copies of the publications must be attached to this application.

Publication	Date published	Copy attached (please tick)
Gibraltar Gazette		

8 Public Participation

You must certify that you have complied with the requirements of Regulation 9 of the Town Planning (Environmental Impact Assessment) Regulations, 2000, as amended, that requires that a notice be placed on the site and remain there for not less than 14 days in a period of not more than one month preceding the making of this application (Notice attached for this purpose—'Regulation 9 Notice')

Please tick the appropriate certificate.

Certificate A

I certify that:

- I/The applicant* posted the notice required by Regulation 9(3) of the Regulations on the land which is the subject of this application.
- This notice was left in position for at least 14 days in a period of not more than one month immediately preceding the submission of this application.

Or

Certificate B

I certify that:

- I have/The applicant has* been unable to post the notice required by Regulation 9(3) of the Regulations on the land which is the subject of this application because I have/the applicant has* no rights of access or other rights in respect of the land as would enable me/the applicant* to do so.
- I have/The applicant has* taken the following steps to acquire those rights, but have/has* been unsuccessful.

(a)
.....

Or

Certificate C

I certify that:

- I/The applicant* posted the notice required by Regulation 9(3) of the Regulations on the land which is the subject of this application.
- It was, however, left in position for less than 14 days in a period of not more than one month immediately preceding the submission of the application.
- This happened because it was removed/obscured/defaced* before 14 days had passed during the period of one month mentioned above. This was not my/the applicant's fault or intent.
- I/The applicant* took the following steps to protect and replace the notice:

(a)
.....
