The benefits should also include all surgeon's, anaesthetist's and consultation fees, diagnostic tests and physiotherapy, radiotherapy/chemotherapy treatment as well as surgical procedures and related costs for drugs and dressings. Additionally the insurance should offer cover for evacuation and repatriation and air and/or road ambulance service to anywhere in Europe.

#### Photo Guidance Notes:

##### The photos provided must be of the applicant:

- Facing forward and looking straight at the camera.
- In close-up of their face, head and shoulders.
- With a neutral expression and with the mouth closed (no smiling, frowning or raised eyebrows).
- With eyes open and clearly visible (no sunglasses or tinted glasses and no hair across the eyes).

- Without shadows on the picture.
- Without anything covering the face - nothing should cover the outline of the eyes, nose or mouth, and not showing any 'red-eye'.
- Wearing a coloured item of clothing (wearing a light item of clothing against the white background could result in the photo being rejected by the system).

##### The photos must:

- Be the size of a standard passport photograph taken in a photo studio (not at home) and against a WHITE background.
- Not be trimmed or cut down from a larger photograph to the size of a standard passport photograph.
