No deduction for social insurance has been included within Table 'C' since the deductions are calculated on the number of weeks irrespective of the number of days worked within each week. Further guidance on how to operate the social insurance for daily rate workers is provided in the section on 'Guidance for Employers' in Tax Table Guidance Notes.

For any amount in excess of £288 deduct at the following rates:

- Next £1,082 per day @ 25%
- Next £548 per day @ 18%
- Next £822 per day @ 10%
- Balance @ 6%
