Notes for Interpretation of all Memoranda agreed between the Spain, the UK and Gibraltar on 29th November 2018

In order to properly understand the effect of the Memoranda, and the proper interpretation to put on the terms used therein, it is important to bear in mind some of the essential, underlying principles involved. These are best summarised below.

Sovereignty

The Memoranda, or any activity or measure taken in application or as a result of them, does not imply any modification of the respective legal positions of the UK or Spain on sovereignty or jurisdiction. This is expressly spelt out in each of the Memoranda. The Memoranda make no concessions on sovereignty, jurisdiction or control.

Interpretation

Throughout the Protocol on Gibraltar which refers to the Memoranda, as a result of the definition in Article 3 of the Withdrawal Agreement (and unless otherwise provided for) the term "United Kingdom" includes "Gibraltar" throughout the text.

For a proper interpretation of the Memoranda they should be read in light of the Concordat between the UK and Gibraltar, also published alongside. This Concordat preserves the balance of the 2006 Gibraltar Constitution. It was approved by the Prime Minister, Theresa May, and the Chief Minister, Fabian Picardo, in Downing Street on the 15th November.

Signature

It is important to remember that the Memoranda are only signed by the United Kingdom as a result of the UK being the State responsible for Gibraltar’s external relations. This is expressly spelt out in each of the Memoranda.

Commencement & Duration

It should be noted that the Memoranda only come into effect if there is a Withdrawal Agreement entered into by the UK. Additionally, the Memoranda cease to have effect in December 2020 unless we agree to extend them.
