PREFACE

The Statistics (Air Traffic Survey) Order 1971 requires that a report and summary of the findings of the Air Traffic Survey be laid before the Gibraltar Parliament.

The report contains statistical data on air traffic operations between Gibraltar and other destinations for both scheduled and charter airlines for the years 1985 to 2009. It also includes some general data on commercial freight and on the number of flights arriving in Gibraltar.

I must express my thanks to the Airlines and to Security & Immigration Ltd for their continued co-operation in the conduct of this Survey.
