6 CONVENT PLACE

OFFICIAL NOTICE

Engineering Trades Training Scheme
Accredited Apprenticeships in Fabrication and Welding,
Electrical Engineering and Mechanical Engineering

The Department of Education and Training, on behalf of the Government of Gibraltar and Cammell Laird (Gibraltar) Limited, invites applications from persons ordinarily resident in Gibraltar to undertake Apprenticeships of four years duration in the following trades:

Fabrication and Welding
Electrical Engineering
Mechanical Engineering

All Apprentices will follow an accredited training programme, as set by the Engineering and Maritime Training Authority (EMTA) an official United Kingdom Awarding Body, leading to the attainment of National Vocational Qualifications at Levels 2 and 3.

Application forms are available from the Training Unit at the Department of Education and Training at 40 Town Range, and completed applications must be returned to the Government Training Officer by not later than Friday 14th September 2007. Applicants not in possession of GCSE passes at Grades A, B, C or D in English Language, Mathematics and a Science Subject (or equivalents acceptable to the Director of Education and Training) will be required to sit entry level examinations in these subjects.

The Government of Gibraltar and Cammell Laird (Gibraltar) Limited are committed to offering equal opportunities and, therefore, encourage applications from both males and females alike. Trainees selected to participate in the Engineering Trades Training Scheme will be entitled to receive a Trainee's Allowance commensurate with age.

Further details and information about the Engineering Trades Training Scheme may be obtained from the Government's Training Officer at the Department of Education and Training on telephone 78254, or from Cammell Laird's Training Centre Manger on telephone 59476.
