

Government of Gibraltar

6 CONVENT PLACE

OFFICIAL NOTICE

VACANCY – LEISURE CENTRE MANAGER

The conversion of the King's Bastion into a leisure centre is nearly complete. Each individual leisure facility within the Centre will be operated by a separate concessioned operator. However, the Government, through its wholly owned company Kings Bastion Leisure Centre Limited will retain overall management control of the Leisure Centre, its buildings, central and shared plant and facilities, common areas, security, cleaning, maintenance and admission policy and Centre Rules among other things ("the Centre Management").

King's Bastion Leisure Centre Limited is looking for a person who will be able to discharge these Centre Management responsibilities, and related facilities management duties, and generally to manage the building on the Company's behalf. The job does not involve managing the provision of leisure activities, which is the responsibility of the individual concessionaires.

Salary will be commensurate with experience and qualifications.

The prospective candidate should be able to work on their own, be self motivated, have good organisational skills and be willing to devise and impose policy and regulations. Experience in property management would be an advantage, but is not determinative. Applications together with a CV should be submitted no later than 26th November to:
