WESTERN BEACH – REMOVAL OF PONTOONS

The general public is hereby informed that works to remove the pontoons at Western Beach will commence on Monday 11 August 2008 and will continue for approximately two weeks. Works will be carried out from Monday to Friday and will be suspended during weekends.

The removal of the pontoons will be undertaken by the tug Palencia II. Once they are removed, the pontoons will be towed into the inner harbour via the Northern Entrance.

All vessels and members of the public are required to keep well clear of the Palencia II and of other vessels and equipment being used in the operations.

Bathing from Western Beach should not be affected.

The Government regrets any inconvenience this may cause.
