WORLD ENVIRONMENT DAY AWARENESS FAIR – 2009

How **GREEN** are you? If you have an innovative green product or your company is striving to improve its environmental performance, we want to hear from you.

The Department of the Environment once again invites all businesses, retailers, traders, NGOs and agencies with a green message to participate in our Environment Trade Fair. Friday 5th June 2009 is World Environment Day.

We will, however, hold the trade fair on Saturday 6th June 2009 to enable a wider participation, which by popular demand will be at Casemates Square.

Each year the United Nations Environment Programme selects a theme, this year's being "Your Planet Needs You".

This Year's Slogan is – Your Planet Needs You – UNite To Combat Climate Change.
