6 CONVENT PLACE

OFFICIAL NOTICE

In the run up to the festive season, the Collector of Customs would like to remind the public of their obligation to declare on importation all dutiable goods that have been obtained outside Gibraltar.

In order to facilitate and expedite clearance procedures, persons travelling abroad on organised coach trips to Spain, are encouraged to obtain a simplified personal declaration form and present this to the Customs Officer on arrival.

Local travel agents have been approached on the procedures to be followed and have already been supplied with these forms. Those on privately organised coach trips arranged directly with operators in Spain can collect these from Custom House, Waterport, Four Corners Station or downloaded from the Government website www.gibraltar.gov.gi/hmcustoms 'Import Duty Form'. Further information can be obtained on Tel 200 46728 / 200 78879 (Fax 200 78362).

Failure to declare any goods will result in court proceedings or fines being imposed.
