##### Sandy Bay.

The Gibraltar Tourist Board (GTB) regrets that there will be a delay in the opening of Sandy Bay beach this year whilst essential works are carried out to storm damaged buildings in order to ensure public safety. Once these are completed, public access onto Sandy Bay beach will be available only from the northern steps. The position will be reviewed as the works progress with a view to possibly also allowing access to the beach from the southern ramp.

Subject to weather conditions, including other factors outside of the G.T.B.'s control, it is expected that the works will be completed before the end of June. Sandy Bay beach will then re-open at which time toilets, changing rooms and lifeguard facilities will be provided.

Toilet and changing room facilities will be open. 0930 - 1900 hours.

Lifeguard facilities. Daily 1100 - 1900 hours.

#### BEACH CLEANING.

There will be daily cleaning of all beaches throughout the bathing season and the public is requested to assist by not leaving litter on the beach.

#### PARKING.
