OFFICIAL NOTICE

Training Courses In Engineering Trades

The Government of Gibraltar and Cammell Laird (Gibraltar) Limited, invites applications from persons ordinarily resident in Gibraltar to undertake apprenticeships of four years duration in the following trades:

**Fabrication and Welding
Electrical Engineering
Mechanical Engineering**

Trainees will follow an accredited training programme set by the Engineering and Maritime Authority (EMTA) an official UK Awarding Body, leading to the attainment of National Vocational Qualifications, at levels 2 and 3.

Applicants not in possession of GCSE passes in English Language, Mathematics and a Science Subject at Grades A to D, or equivalents will be required to sit entry level examinations in these subjects.

The Government of Gibraltar is fully committed to equal opportunities and therefore, encourages applications from males and females alike. Trainees successfully selected to participate in the Construction Trades Training Scheme will be entitled to receive a monthly Trainee's Allowance, commensurate with age.

Application Forms are available from the Training Unit at Bleak House Institute of Training, Europa Point, and completed applications must be returned by not later than midday, Friday 28th August 2009.

Further details and information about the Engineering Trades Training Scheme may be obtained from Cammell Laird's Training Centre Manager on telephone 20059476.
