

ENGINEER LANE CAR PARK

Works for the construction of the new multi storey car park at Engineer Lane will commence on **Monday 26th September 2011**. Construction is expected to take 18 months.

During this time alternative car parking for residents of the area to replace the 70 existing spaces that will be inaccessible during the construction period will be provided at the car park next to Regal House.

Application for Temporary Parking Permit

Residents of the area are therefore invited to apply for a temporary “Resident Only Parking Permit” which will allow parking within this temporary parking facility next to Regal House.

Application forms are available from Gibraltar Car Parks Limited, Unit 11, 45 North Mole Road (in the same complex where the Parcel Post Office is located) and available for download from the Gibraltar Government website – www.gibraltar.gov.gi

Completed application forms containing all required information and attaching all required supporting documents should be delivered to the offices of Gibraltar Car Parks Limited for processing. A permit if eligible will be issued.
