OFFICIAL NOTICE

DRIVER CERTIFICATE OF PROFESSIONAL COMPETENCE

Under a new European Union Directive, all professional bus, coach and lorry drivers must complete 35 hours of periodic training every five years to continue to drive for a living.

Periodic training will be delivered by the Driver and Vehicle Licensing Department through courses to be attended over the five-year period for which a driver's current Driver CPC is valid.

All professional bus and coach drivers who obtained their license prior to 10th September 2008 and wish to continue driving professionally will need to complete 35 hours of training and have their Driver Qualification endorsed on their license by 9th September 2013. This Qualification will be valid till 9th September 2018.

Drivers of Lorries over 3500Kgs who obtained their license prior to 10th September 2009 need to complete 35 hours of training and have their Driver Qualification endorsed on their license by 9th September 2014. This qualification will be valid till 9th September 2019.

Application forms and terms and conditions of the courses are available from the Chief Examiner, Driver and Vehicle licensing Department Eastern Beach Road, telephone: 200 51603, e-mail: driverinfo@gibraltar.gov.gi.
