Greenarc - Uprooting of a Tree at St Martin's School to be replanted at the Alameda Gardens

In order to allow a contractor to undertake essential works required to uproot a large olive tree from St Martin's School and replant it at the Alameda Gardens, there will be a traffic diversion in place from 9.30pm on Sunday 27 January 2013 for a period not exceeding 3 hours:

From its junction with the mini roundabout at Corral Road up to the junction with Casemates Hill, Smith Dorrien Avenue will be temporarily closed to all vehicular traffic. Roadworks signs as well as advance information and diversion signs will be strategically placed to inform drivers as they approach the works area.

We would like to take this opportunity to apologise to the general public for any inconvenience these works may cause them.
