

HM Government of Gibraltar

6 CONVENT PLACE

OFFICIAL NOTICE

Golders - Geotechnical Cliff Stabilisation Works Camp Bay

In order to allow a Contractor to undertake stabilisation works to the cliff face along the eastern side of Camp Bay for a private development, the following traffic arrangements will be implemented.

Keightley Way Road from the area of the Nuffield Pool, including Keightley Way tunnel, up to the Europa Point exit will be closed to vehicular traffic for a period not exceeding 4 weeks as from Wednesday 30 January 2013.

Rosia Parade from its junction with South Pavilion Road up to Camp Bay Road by the northern end of the Nuffield Pool car park will be controlled with temporary traffic lights. Pedestrian access will remain into the Camp Bay area at all times. Parking restrictions will be in place along this road whilst these works are in progress.

The Government would like to take this opportunity to apologise to the general public for any inconvenience that these works may cause to them.
