## OFFICIAL NOTICE

### REALIGNMENT IN POSTAL RATES

The Royal Gibraltar Post Office wishes to inform the public that the new postage rates will come into effect as from Monday 4<sup>th</sup> November 2013.

Whilst there are increases in the base letter postal rates there are decreases in the additional grammes for the letters postal rates.

The principle changes to the postal rates are as follows:-

#### **DECREASES**

<b>Each Additional 10g</b>	<b>Present Rate</b>	<b>New Rate</b>
Air Mail to UK	16p	14p
Air Mail to European Member	16p	14p
Air Mail to All Countries outside EU	22p	20p
Mail to Spain 50g	50p	40p

#### **INCREASES**

Standard local	10p	12p
Air Mail to UK	42p	50p
Air Mail to EU	44p	54p
Air Mail to all countries outside EU	50p	64p
Registration fee	£2.00	£2.50
Spain 200g	£1.75	£2.00

Postal rates have remained unchanged since Aug 2008. The new rates serve to align Gibraltar postal rates more closely with International costs. This is particularly important for air mail letters to countries that operate both a first class and a second class service as the UK. The RGPO will allow un-denominated postage stamps which have already been purchased to be used to prepay letters at the new rate without the need for any additional postage. For example "G" Stamp will, as from 4 November 2013, cover the cost of postage of a local letter at the 12p rate.

Detailed information on all Gibraltar postal rates and RGPO services maybe downloaded from the RGPO website at [www.post.gi](http://www.post.gi)
