In order to allow the Technical Services Department's Sewers Infrastructure Section to carry out essential works to cleanse the main trunk sewer along Line Wall Road, the following traffic diversions will be necessary. As from Monday 6 May 2013 and for a period not exceeding three weeks, Line Wall Road from the area of Duke of Kent House up to its junction with Convent Ramp will be closed to southbound traffic from 9.30pm until no later than 5.00am on a daily basis.
