6 CONVENT PLACE

OFFICIAL NOTICE

Sewers Section – Cleansing of Main Sewer along Line Wall Road

In order for the Sewers Infrastructure Section of the Technical Services Department to continue essential works to cleanse the main trunk sewer along Line Wall Road, the following traffic arrangements will be put into place. Line Wall Road from its junction with King's Street up to its junction with Cloister Ramp will be reduced to a single lane as from 2.00pm on Saturday 13 July 2013 until no later than midnight on Sunday 14 July 2013. Traffic travelling through the area will be controlled using stop and go hand signals whilst works are in progress. Temporary advance road works signs will be placed accordingly on the approach to the works

The Government would like to take this opportunity to apologise to the general public for any inconvenience that these works may cause to them.
