PRESS RELEASE

No. 67/2007

Date: 26 March 2007

RESURFACING AT WINSTON CHURCHILL AVENUE FROM SUNDIAL TO SOUTH BARRIER OF RUNWAY

As part of the Government's roads re-surfacing programme a contractor will be undertaking resurfacing works to Winston Churchill Avenue from the area of the sundial to the southern barriers of the runway.

Works will commence as from Wednesday 28 March 2007 until Friday 13 April 2007. During this time works will be carried out to the four traffic lanes of the road, the works will be done in stages, one lane at a time.

Traffic arrangements will revert to a four lane system from Good Friday to Easter Monday.

Traffic will be diverted accordingly with the use of portable traffic signals. There will be two traffic lanes travelling southbound up to 1500 hrs when this will be changed to cater for a two lane system headed northbound.

We would like to take this opportunity to apologise to the general public for any inconveniences these works may cause them.
