PRESS RELEASE

No. 86/2007

Date. 19 April 2007

SPRING FESTIVAL LOGO

The Director of Culture wishes to clarify that there is no mistake whatsoever in the way the logo has been presented.

The artist was advised that the preferred option was for the date to appear horizontally to the rest of the text. He was called to her office; the suggested change was explained to him; he agreed to such change and he himself submitted the amended version accordingly.

It is regretted the artist now feels this way, but it is equally regretted he never raised this concern before.

Regardless, the Director reiterates that the format approved by the panel is the format that has been printed and will be used for this year's Spring Festival.
