PRESS RELEASE

No: 205/2008

Date: 5 September 2008

Bomb House Lane – Vehicular Access

Vehicular access into parts of Bomb House Lane will be impeded by retractable bollards as from Monday 15th September 2008. These retractable bollards have been positioned at the Line Wall Road entrance to Bomb House Lane and also in Bomb House Lane, near to the Museum's entrance. All emergency services will be equipped to retract and extend bollards electronically.
