**AUTUMN FESTIVAL 2008**

The Ministry of Culture has announced the programme of events for this year's Autumn Festival.

Commenting on the announcement, Minister for Culture, Edwin Reyes said:

"It is my privilege to announce the details of our Ministry's second Autumn Festival of Art and Culture. The programme will provide us with two weeks of top quality entertainment designed to quench our thirst for culture and the arts.

I am delighted to see the very ambitious local musical and dramatic productions and trust that everyone will be able to find something to their liking, from the International Art Exhibition, the 'Cello Recital' as a classical concert, the very popular zarzuela 'La Verbena de la Paloma', the well known musical 'The Sound of Music', Story Telling for the younger members of our community, Poetry Competition, the stage thriller 'In for the Kill', to the Gibraltar Dance Team World Show Dance Championships presentation.

I encourage everyone to make the most of what this year's Gibraltar Autumn Festival has to offer and hope to see you at the forthcoming events."
