PRESS RELEASE

No: 183/2009

Date: 18th September 2009

Reclamation Road Car Park (Ex-Naval Ground No 2)

The temporary arrangements for parking at the Reclamation Road Car Park will continue for the time being. The Government had made initial arrangements with Commercial Developments Investments Ltd (CDI) the owners of the site, to loan the site to provide car parking facilities during Fair Week.

The Government is pleased to have been able to extend the temporary arrangements with CDI for as long as it possibly can until the site is required for the construction of the Mid-Town development to commence. Government is grateful to CDI for having made the site available.
