PRESS RELEASE

No: 206/2009

Date: 21st October 2009

GEA Flat Bastion Road Urgent Works - Re-lamping

In order to allow GEA to undertake urgent works to re-lamp the existing lampposts along Flat Bastion Road, the following traffic arrangements will be in place as follows. Flat Bastion Road from the junction with Prince Edward's Road and Castle Road will be closed off as from 1.00am on Friday 23 October 2009 (that is, Thursday night into Friday morning) for a period not exceeding 5 hours. Access to the southern side of Flat Bastion Road and Gardiners Road will remain from Europa Road. Traffic wanting to access the area will be controlled by operatives during this period with the use of stop and go hand signals.

Temporary road works and diversion signs will be in place to advice drivers of the works ahead.

We would like to take this opportunity to apologize to the general public for any inconvenience these works may cause to them.
