PRESS RELEASE

No:222/2009

Date: 5th November 2009

Devil's Tower Road - Connection of Sewage Pumping main

In order to allow a Contractor to carry out essential works to lay a new sewage pumping main by the area of the MOT Centre, Devil's Tower Road will be reduced to one lane along the area of the works as from 2.00pm on Saturday 7 November 2009 until no later than 5.00pm on Sunday 8 November 2009. Traffic will be controlled with the use of portable stop and go hand signals.

Appropriate road works signage will be set up in the vicinity of the works for the guidance of drivers.

The Government would like to take this opportunity to apologize to the general public for any inconvenience that these works may cause to them.
