PRESS RELEASE

No: 252/2009

Date: 27th November 2007

GIBRALTAR ACCREDITATION SERVICE (GAS)

An entity recently claimed, on a website and elsewhere, to be the Gibraltar Accreditation Service for the purposes of an EU Regulation about National Accreditation Bodies for 150 accreditation.

Following action by the Government, the claims have now been removed from the website. However, the public should be aware that no company or organization in Gibraltar has been appointed by the Government as the National Accreditation Body and any claim to be acting as such is false.
