PRESS RELEASE

No: 260/2009

Date: 4th December 2009

The Government welcomes and thanks the RGPO Sorters for accepting in a spirit of public service that debugging constitutes part of their range of duties, which has enabled management to allow them to return to work.

Even though the “debugging” issue is now closed, and is non negotiable for the Government, the Government and management are always amenable to meet with staff at their request.
