## **PRESS RELEASE**

No: 170/2010

Date: 15<sup>th</sup> July 2010

### **Trafalgar Interchange Project – Resurfacing of Stretch of Road from Trafalgar Road to new Main Roundabout**

As part of the Government's ongoing Trafalgar Interchange New Roundabouts Project, works will be undertaken to excavate and lay service ducts along the stretch of road from Trafalgar Road to the new main roundabout at Trafalgar. Works will commence as from 8.00am on Sunday 18 July 2010 until no later than 6.00am of Monday 19 July 2010. The section of road in question will then be closed off again between the hours of 10am and 2.00pm of the Monday 19 July 2010 for the resurfacing of the road. During the time the road is closed, Traffic travelling along Trafalgar Road, will be diverted towards the southern end of Main Street to continue northbound. Traffic wanting to go to Queensway and or southbound will need to travel through Main Street to turn around at Cathedral Square junction. Drivers are advised to take extra care when travelling through the location of works.

The Government would like to take this opportunity to apologise to the general public for any inconvenience that these works may cause them.
